

SABREVOIS MISSION.

BASIS OF ITS OPERATIONS.

I.—The whole work known as "The Sabrevois Mission" is conducted by the Corresponding Committee of the Colonial Church and School Society of Montreal, of which Committee the Bishop of the Diocese is, *ex officio*, Chairman.

II.—The Secretary of the Committee is also Superintendent of the Mission, having full charge and ordering of its affairs under the Committee. To him all missionaries and agents are responsible, and shall correspond with him on all matters connected with the mission, shall render to him all necessary reports of work done, and returns of all collections and disbursements, and at all times give him such information as he may deem needful to publish or to submit to the Committee.

III.—As a Mission, supported by a Church of England Society and other Church aid, it shall be strictly ordered, in all its missionary operations, according to the order of the Church. No deviations shall be made from this, except with the sanction of the Bishop.

IV.—The chief aim of the Committee, in conducting the Mission, shall be to provide the ministrations of the Church of England, and to afford guidance and instruction in her doctrine and practices, through French-speaking clergymen of the Church, to those of the French-speaking population who have become unsettled in their religious views, or alienated from the Church of Rome.

V.—The Sabrevois Mission Schools are supported for the express purpose of giving to children of French-speaking parents who desire to bring them up in the faith of the Church of England, a good education, combined with sound religious instruction, according to the doctrine of the Church.

VI.—In the schools, young men preparing for the Ministry, or as Teachers, shall be regarded as a separate class. When sufficiently advanced, those intending to take Holy Orders shall, excepting under special circumstances, enter some Theological Training College.

VII.—The clergyman who has charge of the schools and the general oversight of the Institution shall be styled the Principal.

VIII.—No teachers or agents shall be engaged in the schools, or other departments of the Mission, without the advice of the Superintendent and the sanction of the Committee.
