Deputy Superintendent of Indian Affairs,

Dear Mr. Pedley:-

re B. C. Electric Railway Company and
its Fraser Valley Right of Way as
to timber cut on Matsqui Indian
Reserve.

As promised in our interview of to-day I
send you herewith a copy of the letters and documents forwarded
to me in this connection by Mr. Laursen, solicitor for the
B. C. Electric Railway Company.

They set forth the position of affairs
very fully, and I think I need add nothing further to them.

I am leaving for England on Saturday, not
to be back until about the 10th. of September, and if you
cannot accept the Company's position on the material furnished,
I would ask you to allow this matter to stand until my return
, notifying your agent in British Columbia that you have made
this arrangement with me.

The amount at issue is not very large, and as
my clients are both reputably and financially able to meet any-
thing they should really pay, I hope you will oblige me to this
extent.

Yours truly,

Andrew J. Thompson

Indian Affairs. (RG 10, Volume 7671, File 22153-16 B.C.E)
