Mr. Devlin
L. W. McCutcheon Esq., Chief Treasury Officer,
Indian Affairs Branch, Ottawa, Canada

File No. 30022-5

This will acknowledge receipt of your
letter of July 20th., with reference to Timber Permits.

I regret very much that I have not made
these transactions clear in former statements. In future
I will endeavour to show on each receipt and Receiver
General Payment just what the amount of money shown is
intended to cover. I am enclosing a statement showing
the transactions under Permits No. 27 and 30 referred to
in your letter.

I might say that these two permits
originally cost me several days work in the bush and
elsewhere running down what timber had been cut and to
whom sold.
