Fever Hospital.—A large building has been erected in the Hospital grounds where the treatment of fevers can be practically and profitably, seen and studied.

The Eye and Ear Hospital is now on the same grounds, giving unprecedented advantages to students desirous of making a special study of the diseases of these important organs. This institution is fully equipped with every modern appliance.

Burnside Lying-in-Hospital.—This Hospital is also on the Hospital grounds, making it very convenient for students attending its practice, and affording special and valuable facilities for the study of practical midwifery. One of the medical officers will be in daily attendance, for the purpose of giving instruction to students. Students who have attended one course of Lectures upon Midwifery, and who have taken out the ticket for this Hospital, are furnished with cases in rotation.

Toronto Dispensary.—From 5,000 to 6,000 patients are yearly treated at this institution. The cases are of great variety, comprising a large number of pulmonary affections and children's diseases. Minor operations are of daily occurrence, and excellent practice is afforded in the application of splints and bandages. The hours of attendance are from 12-1 daily. This institution with all its advantages is open to students free of charge, and the attending Physicians furnish them with all possible facilities.

APPOINTMENTS OPEN TO STUDENTS.

Hospital Assistantships.—The Board of Trustees of the Toronto General Hospital annually appoint two students of this School as Hospital Assistants. These positions are of great practical value, and the recommendation for them from the Faculty, will be given to those students whose attainments and standing at the various examinations, and whose moral character is such, as will render them capable of discharging satisfactorily, the duties belonging to the appointment.

Clinical Clerks and Dressers.—The members of the Faculty who belong to the Acting Hospital Staff, will each appoint two or more students to act as Clinical Clerks and Dressers, whose duties are to take notes of the cases under treatment, and to carry out such direc-
