Has been Canada's favorite yeast for over a quarter of a century. Bread baked with Royal Yeast will keep fresh and moist longer than that made with any other, so that a full week's supply can easily be made at one baking, and the last loaf will be just as good as the first.

Pathe Records
are Supreme

Supreme musically—supreme scientifically—supreme in the extent of repertoire.

Pathe records are supreme musically and scientifically because of the method of recording in a long, broad sound wave, and the reproduction by means of a round, polished, genuine sapphire ball, which completely fills the groove and gathers the music from every point of contact.

This combination produces a tone full, rich, natural and with forty per cent. more tone colors than any other record.

The sapphire ball never requires to be changed, and never wears out the record.

The Pathe repertoire of records is superior because not only does it include records by the most popular artists in America, but also contains selections by the best-loved European artists who have not yet left, and may never leave, the old world. Such artists as Ruffo, Muratore, Didur, Albani, Cavallieri, Fittui, Cisneros, Slezak, Weil, Ober, Urtus, Parvis, Boninsegna, Koralek, Georgini, Constantino, and many others record for Pathe. Band, orchestral, and instrumental records, without equal, are at your command through the Pathe Records. All the best in art and music is yours through Pathe. And the Pathe list is kept strictly up to date.

If you already own a talking machine it can be equipped to play Pathe records. Call on any of the dealers mentioned below and see how you also may enjoy Pathe records.

**To Get Rid of Wrinkles
and Bad Complexions**

It is more important now than during the period of profuse perspiration, to keep the pores clean. All cosmetics clog the pores, and in so doing, they do more harm than good. The only way to get rid of wrinkles and bad complexions is by the use of a skin cleanser. Ordinary mercerized wax serves all the purposes of creams, powders and rouges, giving far better results. It actually peels off an offensive skin, at the same time unclogging the pores. Minute particles of scarf skin come off day by day, causing not the least discomfort. Gradually the healthy, younger skin beneath peels and in less than a fortnight you have a lovelier complexion than you ever dreamed of acquiring. Mercerized wax, obtainable at any drug store, is spread on nightly like cold cream and washed off mornings. One ounce usually suffices.

For removing wrinkles, without stopping the pores with heavy stuff, here is a never-failing formula: One ounce powdered exfoliant dissolved in one-half pint witch hazel. Bathe the face in this daily for a while; every day. The first application gives surprising results.

**A Simple Way To
Remove Dandruff**

There is one sure way that has never failed to remove dandruff at once, and that is to dissolve it, then you destroy it entirely. To do this, just get about four ounces of plain, common liquid arvon from any drug store (this is all you will need), apply it at night when retiring; use enough to moisten the scalp and rub it in gently with the fingertips. By morning, most if not all, of your dandruff will be gone, and three or four more applications will completely dissolve and entirely destroy every single sign and trace of it, no matter how much dandruff you may have.

You will find all itching and itching of the scalp will stop instantly, and your hair will be fluffy, lustrous, glossy, silky and soft, and look and feel a hundred times better.

**To Make Hairs Vanish
From Face, Neck or Arms**

Keep a little powdered delatone handy and when hairy growths appear make a paste with some of the powder and a little water, then spread over hairy surface. After 2 or 3 minutes rub off, wash the skin and it will be entirely free from hair or blemish. This simple treatment is unfailing, but care should be exercised to be sure and get genuine delatone, otherwise you may be disappointed.

Be Clean—and Safe.

Think of the germ-laden things your skin and clothes must come into contact with every day. Then remember that there is a splendid antiseptic soap

**LIFEBUOY
HEALTH SOAP**

Use Lifebuoy for the hands, the bath, the clothes, and the home. Its rich, abundant lather means safety. The mild, antiseptic odor vanishes quickly after use.
