### Don't serve Potatoes with Beans

When you serve Clark's Pork & Beans as the main dish, you need not have potatoes—Clark's Pork & Beans of themselves supply the starchy substances, as well as important proteins necessary for nutrition.  
With Clark's Pork & Beans serve spinach, celery, tomatoes or a lettuce salad, and with a fruit dessert (raw or as preserved) all physical needs are cared for.  
When you want a really good prepared Soup—get Clark's.

# It Leaped into Fame!

in just one day, through the magic of its own astonishing performance, and every day adds new Orthophonic Victrola music lovers

WHEN the sun set on that eventful evening of December second, 1925—"Victor Day"—over a year ago now, the Orthophonic Victrola stood acclaimed as one of the greatest single achievements in the history of music.

Thousands heard this new discovery in the form of the now famous Credenza, and approved instantly the long and arduous labors of the scientists who had brought this new marvel into the world. That approval continues, and is growing daily.

The music of great artists, of famous orchestras, of the almost endless and ever-growing host of Victor entertainers takes on a new significance when heard upon the

new Orthophonic Victrola. It satisfies completely the musical sense. It has ever-new surprises in store for you.

Command! . . . and it performs, beautifully, . . . untrillingly. Choose . . . and it never disappoints your choice!

If you have not heard the Credenza model, do so today at any "His Master's Voice" dealer and order at once. Thus you will assure yourself these new delights in music more quickly. Production is still behind demand. An early order means early possession. Convenient terms make ownership easy.

Note:—The principle of "matched impedance" or "smooth flow of sound" employed in the Orthophonic Victrola is exclusively controlled by Victor.
