QUICK ACTION FEATURED BOUTS

Sailor Boys Were Out- classed in Boxing Card at Arena.

Quick action featured the five bouts staged in the local arena last evening, every one of them ending in a knockout, the majority of them almost before the fans realized the match had really started. The bouts were between boxers from the crew of H. M. S. Constance and men well known to the local fans. A fair sized crowd witnessed the exhibitions and many expressions of regret were heard as the fans left the arena that the boxers had not been more evenly matched.

The programme called for three bouts of six two-minute rounds and two bouts of ten three-minute rounds, but the time of the entire five bouts did not total as much as one of the ten round ones would have if it had gone the full route.

When the main bout started there was a general settling back in the seats to see a real fast "go". However, the fans had no more settled back than they had to get up again and start their trek for the exits as Jimmie Fruzzetti, Maritime welterweight and New England lightweight champion, after about a minute's sparring, crossed over a snappy right hook to the jaw and Supply Assistant Vandersten, announced as lightweight champion of the army and navy, went down and had to be assisted to his corner.

Seaman Kite, the brave sailor who saved the life of a newswoman last week, defeated Seaman Snow in the first round.

Porter McIntyre, formerly of Bangor, Me., but now of St. John, put Seaman Dabbs away early in the third round.

Joe "Kia" Wheeler, of St. John, put Seaman Bill Hawken away at the start of the second round.

Jimmie Fruzzetti, formerly of Boston, but now of St. John, put Supply Assistant Vandersten to dreamland in one minute and fifteen seconds in the first round.

The referees of the bouts were Beth McLeod and James Laidlaw; timers, Fred Logan and Charles Owens; judges, Dr. Lee Day and Allan Gung.

The physicians in attendance were Doctors Malcolm and Allingham.

MARRIED MEN WIN FROM SINGLE MEN

On the Paiville diamond last evening before about 300 fans the married men defeated the single men by the score of 14 to 10. The features of the game was the heavy batting of the married men.

The batteries were: Married men, McManus and Stack; single men, Long, Holder and Sterling.

SAINTS TIED FOR SECOND POSITION

Earl Nelson Loses a Hard- fought Game on South End Grounds.

Earl Nelson twirled great ball for the Royals last night in the South End League match with the St. John Baptist outfit but wobbly support by his teammates at critical moments and some sloppy base-running cost the colored boys the game, which went eight innings, the final score reading 3 to 2. The Saints scored in the first after Moran and Gaynes had fanned when Callaghan's fly was muffed by Price, Fraser singled, Moore was hit, and Austin had a passed ball, allowing Callaghan to count.

The Royals evened it up and after a scoreless session the Saints counted once more. Each team scored once more, the remaining three innings passing without a run being made. Nelson struck out Moran, the league's leading hitter, four times. Moran's fielding at first was fine, however.

By winning last night, the Saints moved into tie for second place with the Machine Gunners.

BOSTON RED SOX POOR RUNNERS

Lack of Speed Said to be the Cause of the Slump.

Boston, July 29.—While the early season form of the Boston Red Sox was the sensation of the American League, the recent slowing up of the club seems to have established the fact that Foh's team was overstepping itself.

While the club was hitting timely, the one glaring fault of the club, lack of speed, was covered up. The moment the Sox slumped at the bat the fact that Boston is the slowest team in the league was made apparent.

Only one regular on the team is a speed merchant, Flagstead. Wambsgans at second is a fair base runner. The rest of the team with the possible exception of John Collins, utility man, must be classed as slow. No player was more responsible for the early season success of the Sox than Joe Harris. Recently illness removed him from the lineup. The slump of the club started with his absence from the game.

Manager Foh frankly admits that the club must be speeded up, but says it can't be done overnight as speed merchants in baseball are the exception.

COBB THINKS HE WASTED HIS TIME

"Georgia Peach" Regrets That He Did Not Be- come a Surgeon.

Toronto, July 29.—If I had my time over again I would probably be a surgeon instead of a baseball player," said Ty Cobb, who was here recently with his Detroit Tigers. "I am quite satisfied to stay as I am, but I regret, and I have only one regret. That is the fact that I shall not have done any real good to humanity when I retire. I suppose everybody will have forgotten me in a few years' time."

The "Georgia Peach" advocated the spread of baseball all over the world, and said that he looked forward to the day when England would take up the game.

"The English are especially suited to it," he said. "I hope to see it played all over the world in a few years' time."

Cobb substantiated statements made by him that he would retire from the game after this year.

"Yes," he said, "I shall not play regularly after this year. I shall play a few odd games, of course, but I shall follow no fixed schedule."

PORTLANDS WIN AND REGAIN LEAD

Defeat St. Rose's Players by a Score of 10 to 4.

The Portlands regained the lead in the City League last evening when they topped the league leading St. Rose's of the North End grounds, by the score of 10 to 4. The game was closely contested until the last part of the fourth when six scores were pushed across the plate by the north enders, Conlon being driven from the box and Murphy replacing him by the men.

The Saints scored three runs in the opening stanza but the Portlands tied them in their half of the same frame.

The north enders counted once more in the second. The only other run registered by the Saints was in the fifth and last inning.

Hannah was the mound for the winners and kept the hits well scattered. Not an earned run was scored off his delivery. Gorman, the league's leading hitter, ended his average again last evening by securing three hits in as many trips to the plate.

REVIVE QUOT GAME

A revival of the game of quoits is being carried out under the auspices of the St. John Power Boat Club. The Boat Club has laid out quoit grounds and the opening game is to be played on Thursday of this week, when John Thornton, H. O. Olive, A. M. Rowan and M. B. Akerley will be the players. These four are veteran performers and were members of the old Newman Brook Quoit Club, which has passed out of existence.

The Power Boat Club, in reviving the game, has adopted the quoit pattern of the Newman Brook Club and hopes to carry on the traditions of that club by having the opening game pitched by its members. The quoits have been specially made by a local firm.

REGRET DEPARTURE OF HEC. GRIMLEY

Has Qualifications That Would Help Him if Given Tryout.

Hec Grimley's departure from Amherst will be regretted by a host of Maritime hockey followers, who will all join in wishing him the best of luck in Toronto, says Scoop in the Amherst News. Whether Grimley will try out with St. Patrick's or the proposed Minor Professional Hockey League, being considered in certain Ontario towns, is difficult to say. Grimley has been keeping in the best of shape for the last year and a half, and since being shoved on the forward line, has improved his stick handling and shooting. With consistent practice he can regain the speed that he possessed while playing back on defence. Grimley is a quick witted player, and can quickly break himself out of any fixity in style—a trouble that frequently prevents a Maritimer from making good in Upper Canadian circles.

THE COACH'S JOB

Something of the taskmaster, the general and the diplomat, and a lot of the doctor must be hidden away in the man who would be the coach of a successful football or track team.

Emergencies of all kinds are his daily routine. A thorough knowledge of first aid is as essential as a knowledge of the game played by his men.

Bumps, bruises, strained ligaments and muscles are every day happenings, but the coach never becomes contemptuous of them. He knows that if neglected, they may result in anything.

Trainers everywhere keep Absorbine Jr. in their lockers. They use it not only for sprains, cuts and bruises, but for the skin and blood protection of its disinfecting properties. In one convenient container it combines the functions of a number of preparations.

It is the first of all the First Aid requisites in use in all of the leading athletic clubs.

And there are just as many everyday uses for Absorbine Jr. in the homes of Canada as there are in the training camps. Always keep it in the home where you can "jump to it" in case of emergency. \$1.25 at your drugist.

ST. JOHN CRICKET TEAM WIN MATCH

Defeat Visiting Players from Cruiser by Score of 127 to 106.

The St. John Cricket Club team surprised itself when it won from the visiting players from the Cruiser by a score of 127 to 106 in a well played game on the Barrack Green yesterday afternoon.
