Love made a spirited scene.

AMUSEMENTS FOR OURSELVES AND OTHERS

A POWERFUL DRAMA.

One of the standard and high-class productions to be presented by the Myrtle-Harder Company at the Opera House during its engagement here is "The Great John Ganton," which has never before been presented outside of the great cities. It is by special arrangements with the Shuberts that Mr. Harder is able to present this powerful drama at popular prices. The story is such as to attract honest interest. It depicts a tremendous strife between capital and labor in the Chicago Stock yards. "The Great John Ganton" intensely desire to accumulate millions through his slavery to business, the dramatic exposure of the methods of labor leaders and agitators whose greed for wealth by means of blackmail and bribery, overshadows their honest devotion to the welfare of their unions, and the very pretty love story that winds its way through the play are incidents that combine to make this production one of the great modern dramas.

Mr. Harder has equipped "The Great John Ganton" with a wealth of realistic scenic environments and electrical effects. Seats are now on sale for the engagement to open on Monday.

THE NICKEL

The advertisement of the Nickel Theatre tonight tells the story of three magnificent picture-plays to be produced Monday and Tuesday. The people who will put on this play of film productions are pronounced the best in America and the stage settings, real out-of-doors scenic effects, and extraordinary realistic, excellent stories written by authors of present-day renown and of olden times. The Biograph Company with Little Mary Pickford will play "Three Sisters," a story of the harrowing effects of dancing under certain conditions. This is a social sermon, but it is said and is full of home-thrills and left the Edison Company will re-enact that exquisite old writing of "Aucassin and Nicolette" under the name of "The Days of Chivalry." Costly, grand, dainty, armored knights and deep moats will be characteristic of this stupendous production. Then in lighter vein the Pathé-American Company will put on a bubbling comedy "The Twin Cinderellas." Inducement tale of a slipper that was thrown after a bride, Miss Humphrey and Miss Nevin will entertain upon the final week of their engagements and the orchestra will have a whole batch of new songs to make the first shuffle.

THE LYRIC

Patrons of the Lyric, and theatre goers in general are expected to be out in force Monday evening to welcome back the popular Jere McAuliffe Company, who will be seen at the Lyric Theatre for three days only, presenting the comedy, "A Natural Born Liar." The company is claimed to be an excellent one. Wm. Howatt, the popular leading man, plays a part especially adapted for him. Jere will be seen in the name role. An evening entertainment with Jere McAuliffe taking part would hardly be considered complete without hearing some of the comedian's parodies, and he will be heard in a brand new hit, which is expected to make a decided hit. These special pictures are billed.

How to Stop Pimples

In Five Days You Can Get Rid of All Skin Eruptions by the New Calcium Sulphide Wafers

Trial Package to Prove It Sent Free

Any man or woman gets awfully tired going around with a pimply face day after day. And other people get awfully tired, too, seeing them go around with faces full of disgusting pimples.

If you are one of the unfortunates who can't get away from your pimples, and you have tried almost everything under the sun, and still can't get rid of them, take a few of Stuart's Calcium Wafers every day. Do that steadily for a few days, and in less than a week look at yourself in the mirror.

You will then say that Stuart's Calcium Wafers are a wonder in getting rid of the eruptions.

These wonderful little wafers contain the most effective little purifier ever discovered, calcium sulphide, which, when used, not only cleanses the skin, but also kills the bacteria which cause the eruptions. Stuart's Calcium Wafers contain no poison or drug of any kind; they are absolutely harmless, and yet do work which cannot fail to surprise you.

Don't go around with a luminating, disgusting mass of pimples and blackheads on your face. A face covered over with these disgusting things makes people turn away from you, and breeds failure in your life work. Stop it. Read what an Iowa man said when he woke up one morning and found he had a new face:

"By George, I never saw anything like it. There I've been for three years trying to get rid of pimples and blackheads, and guess I used everything under the sun. I used your Calcium Wafers for just seven days. This morning every blessed pimple is gone and the face is a blackhead. I can't write you a volume of thanks. I am so grateful to you."

Just send your name and address in full today, and we will send you a trial package of Stuart's Calcium Wafers, free to test. After you have tried the sample and been convinced that all we say is true, you will go to your nearest drug store and get a 50c box and be cured of your facial trouble. They are in tablet form and no trouble whatever to take. You go about your work as usual, and there you are—cured and happy.

Send your name and address today and we will at once send you by mail a sample package free. Address: F. A. Stuart & Co., 175 Stuart Bldg., Marshall, Mich.
