Life Association of Scotland.

NINETEENTH REPORT.

THE Nineteenth Annual Meeting of the Association was held within the Head Office, on the 3d August current, in terms of the Charter and Act of Parliament—SIR JAMES, EUGENE, BART., of Comiston, in the Chair.

There were submitted to the Meeting the Annual Report by the Directors on the Progress of the business; the Report of the Auditor, Mr. W. Wood; Accountant; and the Balance Sheet, of the Accounts certified in terms of the Act of Parliament; with other statements of the affairs, as at 6th April last the date of balance.

Notwithstanding the general depression of commercial affairs the progress of the Association during the past year has been greater than in any former year, with only one exception.

The applications for new Life Assurance during the year were—1217, for £206,493. Of which the Directors accepted—1066 for £50,244.

The Annual Premiums being—18,811. Amounts on 24 lives were purchased for £257, 18s. per annum, at the price of £1957, 7s.

The Policies that became claims on the Association by deaths during the year amounted to £5 for £43,065.

The Total Assurances since the commencement of the business amount to nearly FIVE MILLION POUNDS.

The Annual income is now ONE HUNDRED and THIRTY-THREE THOUSAND POUNDS upwards of £50,000, being collected through the London Branch.

The Policy Holders entitled to participate in the Profits, who completed their fifth year before the date of balance, will be entitled to a Reduction of 35 per cent. (7s. per £1) from their next Annual Premium.

From the increasing wealth and importance of British North America, as well as the example of other Assurance Offices, the Directors have for some time entertained the idea of establishing Branches there. They have been enabled since last meeting to accomplish this. A deputation from the Directors visited the chief towns, and secured the co-operation of influential gentlemen in each Province. Although the Branches have been in operation only for a few months, the transactions have already been considerable, as well as of most satisfactory description. Special thanks are due to the gentlemen acting as Directors, Agents, and Medical Officers, who have already interested themselves much in the Association's affairs, and through whose exertions there is every prospect of permanent success.

The Report by the Board of Directors was unanimously approved. The vacancies in the Board were then filled up; and after special votes of thanks to the Directors at the Head Office and Branches, and the Agents, Medical Officers, Manager, &c., the Meeting separated.
