

Prosecution: 2nd witness snow:

I am 72 Sgt Petrousse 2036 Pioneer Coy and in charge of the M.T. lines.

On the 4 Nov 44 at 1730 hrs I was 20-30ft from my garage I found my water truck 5625577 coming towards me and driver in a bad manner. I called the dr. to stop and the dr. did not stop. I called a second time but the dr. did not stop. I ran behind the water truck shouting for dr. to stop, when I did not recognise the dr. as being one of my own. When I reached the crossroads I found a jeep with some C.M.P.'s. I told the C.M.P.'s what happened. The C.M.P.'s followed the truck. The C.M.P.'s stopped the truck and when I reached the truck I found the accused whom I now recognise in the truck. The C.M.P. then drove my veh. off to their H.Q.

Cross-Exam:

accused did not have permission to use the truck - I have never seen the accused before. The truck was zig-zagging on the rd when I saw it.

Prosecution: the veh. is on charge to me as transport Sgt.
