AN INTERESTING GAME.
The Piano Factory Team Defeat the Fur-
niture Boys—Score 19-16—A Game
Full of Hits and "Fast" Base-Running.

The base ball match at the park Satur-
day afternoon between teams from the
Ellis furniture factory and the Piano
factory was a regular old-fashioned game.
The game was full of hard hits and fast
base-running. McCowell was in the box
for the Piano factory team and he pitched
winning ball. He has not lost all his old-
time speed, and during the first three
innings he was cutting the plate with the
swift ball. Green did the catching and
did fairly well. Stanley pitched the first
two innings for the furniture team, but
was hit so hard in the third that he retired after
eight runs had been made. Cross pitched
the rest of the game. Ditchfield caught a
good steady game. The furniture team
went to bat first and the way they pounded
the ball around it looked as if they were
going to be easy winners, but the Piano
boys got back at them in the third and
fourth. A feature of the game was a home
run on a strike out. Wilson has graduated
as a base runner, he can slide probably six
inches. His work in the field was worthy
of mention, a couple of very difficult flies
were gathered in by him. When furniture
factory boys went to bat in the seventh
they just had one run to make to tie the
score. The interest was getting rather
warm. Ward struck out but reached first
safe. Ditchfield hit safe, but Ward had
been nipped stealing second. French was
thrown out at first, Ditchfield at third.
Barrow then came up, hit to short and was
thrown out at first, but Ditchfield had
scored by a past ball. When the Piano
factory team took their seventh things
looked as though we might see a nine-
innings game. But our hopes were all gone
when they started pounding the ball, and
they scored three runs. The score:

OUR KEEWAYDIN BUDGET
CIVIC HOLIDAY A TREMENDOUS SUCCESS.

Yacht Race and Other Aquatic Sports in
the Morning—Field Sports in Afternoon
—Grand Banquet at 8 P. M.—Speeches
and Patriotic Songs—Grand Masquerade
in Evening.

Friday, Aug. 12th, was our Civic Holi-
day and it was celebrated with more vim
and energy than has ever been displayed in
similar celebrations here or elsewhere. The
day was all that could be desired, the sun
shining and a steady wind from Northwest.
The fishing contest was not a great success
only Mr. Dundass and Joe. Gibson getting a
catch, the former two and the latter one
fish, Mr. Dundass thereby getting 1st place.
The next event was the sailing yacht race
which excited much interest and has been
talked about for some time. Quite a large
crowd assembled at 10 a. m. to witness the
start. The yachts and their crews and

Gibson.
No. 3. Liberty Hall, F. G. Walley and O. E.
Robinson.
No. 4. Bona Vista, W. Briden and E.
Clement.
The course was started from a line from
the big wharf to Bishop Campbell's Wharf
around Huckleberry Island and return.
The Lady Maude started first, followed at
intervals of three minutes each by Nos. 2, 3
and 4. Lady Maude rounded the island
long before the others who went too far to
leeward and had to beat up against a dead
head wind to make the point.
No. 1 finished first, followed by 2, 3 and 4
in the order named.
The times of the respective boats are:
No. 1 38 minutes
No. 2 45 minutes
No. 3 46 minutes
No. 4 47 minutes
Nos. 2 and 4 were disqualified for using
paddles.
At the conclusion of the sailing race the
following events were run off.

A POPULAR COLLEGE.

The Central Business College, Stratford,
Ont., re-opens for the fall term on Thursday,
September 1st. This college is a member of
the Business Educators' Association of
Canada, and at the recent examinations held
in June, 12 out of 14 of their pupils
were successful in passing the examination
of that association. The college has re-
cently received four applications from out-
side schools for graduates to act as teachers
in their colleges. This is certainly a strong
point in favor of the "Central." Any per-
son who desires to secure a business or short-
hand education should write to the principal,
Mr. W. J. Elliott, for one of his new
catalogues.
