## Ready-to-Wear.

Our argument is, that it is cheaper to wear well-fitting Trousers, made of good material, than to wear ill-fitting Trousers of inferior goods. We sell the Campbell make of Trousers. They are made well-lock stitched: seams, cannot rip. Why not try a pair?

ST. MARTINS NOTES. On the 24th of November John Ed-ward Schopp of Nikarara Falls was united in marriage to Miss Arvilla Mo-Cumber of St. Martins. The bride was prettily attired in a suit of brown trimmed with white satin, and a very becoming hat to match. The happy couple left on the train for their future home at Nikarar Falls. On their way they will visit Boston and other points of interest. The marriage was per-formed in the Baptist church by the pastor, Rev. C. W. Townsend. The church was prettily decorated with pot-ted plants and ribbon. Rev. Donald Stewart has returned form a three weeks' visit to his home in Montreat. The A. W. GOT THEIR INCREASES. There is rejoicing among the New Brunswick Haitway mail clerks, for a number of them-all entitled—have re-ceived weyed of their increases under the act passed at the last session of thy legislature. These increases — 460 yearly until the maximum 8,200 is reached — date from August 13, the date on which the act became law. The only clerks not receiving them are those who had previously been in-creased this year, and they will come under the provisions of the act in an-other years. These increases, with the milese, make comfortable living pay for the railway mail clerks. GOT THEIR INCREASES

### GAOL PRISONERS.

A meeting was held yesterday after-noon at the City Hall of the sub-com-mittee of the board of works named to consider what employment should be given the gaol prisoners during the winter months. After careful thought the aldermen present decided to recom-mend that Albert street, which leads off Main street, be opened up. The prisoners will break this stone up for use on the streets of the city. It is es-timated that an expenditure of about \$550 would be necessary to furnish a shelter for the men and supply the materials needed.
