Old Glory Sale
At Madison SquareHorsemen from All Parts of
States and Canada Present
—Canadians Best Bidders.

New York, Nov. 23.—The opening day of the Old Glory sale at Madison Square Garden brought together a record assembly of horsemen from all parts of the United States and Canada. At the close of the first day's sale, Auctioneer George Bain stated that he had sold more standard horses over one thousand dollars and under one hundred dollars than on any opening day he remembered.

First \$1,000 Horse

The first horse to sell for \$1,000 was Peter Look, a one time champion three year old pacing colt and last season's largest money winner in the list of single race winners. He went to Portland, Maine, and will no doubt join the eastern half mile track for free-for-all. Peter Elliott, last season's member of Lon McManis's stable, became the property of that driver for \$1,400, while Peter Bolt, an other Laurel Farm offering went back to Indiana for the same price. Annie Judson, a promising two year old, by Peter the Great, out of an Axworthy dam, passed to Wm. A. Loebe, the Brooklyn trainer, at the best bargain of the assignment.

Eight buyers by Peter the Great brought a total of \$5,750 while a yearling filly of San Francisco brought the highest price of the assignment as well as the afternoon's sale, \$1,800, the buyer being Fatherland Farm, Ipswich, Mass.

The Highest Prices

Among active buyers of the day one who paid the highest prices was John Walters, of Crawfordville, Ind., buying among other animals the promising Peter the Great stallion, Peter Lully, for \$1,800, a horse for which, according to reports early last season an offer of \$15,000 was refused.

Manager Harry Burroughs, of Walnut Hill Farm, was a greatly interested spectator in the ring when 11 yearling filly of San Francisco brought the highest price of the assignment as well as the afternoon's sale, \$1,800, the buyer being Fatherland Farm, Ipswich, Mass.

Canadians Best Bidders

Another record crowd of horsemen from all parts of the continent assembled at Madison Square Garden this morning for the second day's business in connection with the Old Glory horse sale.

Grand Circuit track managers were conspicuous figures, and among those present were John F. Young, head trainer, W. H. Gossard, Hartford and G. L. Blodgett, Syracuse.

The Canadian buyers figured among the best bidders of the opening day yesterday. Miss Dealize, three year old brown filly, by Peter the Great, driven by the Deacon, went to R. A. York, worth, Kingston, Ont., for \$100, Sir Richard Varney, three year old bay stallion, by Axworthy, was sold to George Gosselin, Quebec.

Thirty-Five Sales

About thirty-five sales comprised this morning's business at the Old Glory Horse Sale, and the prices in each case were fair. Two Canadian buyers figured in the first two sales of the day, which were the only Canadian sales reported up to two o'clock.

Arthur Drole, Quebec, bought Ethel B., a nine-year-old black mare, which holds a winning record of 2:14 on a half mile track. She is by Monaster, out of Maxine. The price paid was \$250.

Curlew Girl, a six-year-old bay mare by Curlew Boy, out of Nellie Wilkes, went to F. Vandell, of Montreal, for \$160.

There are, altogether, about twenty Canadian buyers attending the sale, among whom are Hammond Kelly and Col. J. T. Jenkins, of Charlottetown, and H. De Groot, L. P. Norbert and F. A. Gossard of Three Rivers.

Baseball Scandal
Again To FrontDivision of About \$15,000
Among White Sox Players
Causing Discussion.

Chicago, Nov. 23.—Records of the old National Baseball Commission have been transferred from Cincinnati to Chicago in preparation for the opening of offices for Judge Landis as ruler of the major leagues here.

Important Decision

One of the first important decisions expected, according to reports, is the division of about fifteen thousand dollars among members of the White Sox team which earned second place money in the 1920 race. Strong opposition has arisen in some quarters to the proposal to exclude from shares the seven former White Sox players under indictment for participation in "throwing" the 1919 world's series.

The played with the 1920 White Sox until the conference of Eddie C. O'Sullivan, the White Sox's public relations man, and Joe Jackson, which led to their definite suspension just before the closing series of the season.

Charges Made Openly

Charges were made openly by several of their team mates that the seven were involved in attempts to "throw" games during the 1920 season but the grand jury indictments took no cognizance of these charges.

The remaining members of the 1920 Sox team have voted to split the sum into sixteen and one half shares, making about \$900 apiece, and excluding the seven suspended players. This settlement has been opposed on the ground that while indicted, the seven have not yet been convicted and some of them deny the charges of crookedness. Arguments before Judge Landis as the supreme arbiter are expected to decide the settlement soon.

DEPRECIATION OF
FOREIGN EXCHANGE
BRINGS DIFFICULTIESEnglish Business Men Try to
Arrive at Plan to Overcome
Economic Situation.

By SIR GEORGE PAISH.
(Copyright 1920, By Public Ledger.)
London, Nov. 23.—Recent heavy depreciation in foreign exchange and the fall in value of the British pound, together with the still greater depreciation, has attracted renewed attention to the international economic situation and greater efforts are now being made to devise means of overcoming the difficulty. As risks attendant upon supplying produce and goods to the continent become more widely realized, the increasing difficulty in arranging exchange, moreover unwillingness of the bankers to extend credit to customers renders international operations increasingly difficult.

Under the new system, any British subject who holds a British passport, however endorsed, or not even endorsed at all, will be able to travel anywhere within the Empire without further formality, and the same rule will apply to new passports to be issued to British subjects.

The change is the result of a proposal made to the Prime Minister of South Africa by Sir H. A. Blakenburg, Acting High Commissioner in London for that Dominion, and approved by the Government of the Union of South Africa. The proposal having also received the approval of the Imperial Conference, was communicated to each of the Dominions in a despatch from the Secretary of State for the Colonies.

The proposal was concurred in by all the Dominions, with the exception of Australia, the Government of which pointed out that in view of the fact that almost all vessels leaving Australia for Great Britain or Canada touched at foreign ports and that passengers required for their passports a visa by Italian, French, American or other Consuls, as the case might be, and that the practice of foreign Consuls was not to endorse passports unless issued by the Commonwealth specifically for travel by way of those countries. Lord Milner, in reply, pointed out that it was never intended that such passports should not require endorsement for any foreign country, but through which the holder might be travelling.

ARREST DOUGHTY
FOR KIDNAPPING
AMBROSE SMALLPrivate Secretary of Missing
Theatre Millionaire is Caught
at Oregon City.

Portland, Oreg., Nov. 23.—John Doughty was arrested last night in Oregon City by Constable Edward Portune, on information that he was wanted in Toronto for kidnapping Ambrose Joseph Small, and alleged theft of \$100,000 in bonds. It was stated that \$65,000 reward had been offered for the return of Small after the alleged kidnapping. Doughty was turned over to a Toronto detective, who was here working on the case. Doughty was employed in a paper mill at Oregon City.

Recognized by Police.

A. P. Mitchell, Toronto police officer who has been here working on the case, said he recognized Doughty at Oregon City. According to Mitchell, Doughty had obtained work in the paper mill and confessed he took the bonds he is alleged to have stolen. The bonds, he said, were deposited in Chicago and would be surrendered. The officers declared Doughty denied he abducted Small. He declared he took Small to a theatre one night and lost track of him there. Doughty had obtained work in the paper mill as a common laborer and had worked up to the position of assistant foreman in one of the departments.

Private Secretary to Small.

Toronto, Nov. 23.—John Doughty, who has been arrested in Portland, Oregon, was for many years private secretary to Ambrose J. Small, millionaire Canadian theatre man, who disappeared on December 2, 1919, after he had deposited in his bank a marked check for one million dollars, which he had received from the Trans-Canada Theatre, Ltd., for the purchase of his theatres.

Small is still missing. On December 28, Doughty also disappeared and search for him had been made all over the civilized world. Nothing definite about his whereabouts has been published here until the receipt this morning of the news of his arrest in Portland.

Reward is \$15,000.

A five thousand dollar reward was offered for his apprehension.

The reward of \$15,000 offered for the arrest of Doughty was later increased to \$15,000, at which figure it now stands.

Doughty had been in the employ of Small for eighteen years, having worked himself up to a salary of \$45 per week as Small's confidential secretary. The day Small sold his theatrical holdings Doughty went on

Strange as it may seem, one of the mills remaining in operation is the oldest mill in this part of the State and one of the oldest in New England. Strong in Physique.

Doughty is in his 44th year, and a man of powerful physique. He used to pull stumps out for a local rowing crew and in his youth was no mean athlete. He was, however, not known as a quarrelsome man, nor was he ever known to have been involved in any act of violence. He has two children by his first wife. His second wife was separated, and he took his children in live in the home of his sister.

The charge of conspiracy to kidnap arises out of the statements made to the police by two local men, who are alleged to have received propositions to kidnap the missing theatrical manager.
