Banquet Tendered Visitors.

Last evening at the Royal Hotel all the visiting curlers were guests. C. H. Peters, president of the Commercial Club, was chairman for the occasion. After an excellent menu had been served Chairman Peters proposed the toast to The King, which was responded to by singing the National Anthem. Mr. Peters in a brief address extended a warm welcome to the visiting curlers, stating that the motto of the Commercial Club was to make St. John a better place to live in. He thought that with the assembling of curlers from different parts of the province the home curlers and the visitors became better acquainted and the Commercial Club's idea was in this way carried out. Steve Matthews was then called on and delighted the assembly with a humorous address and a song. F. W. Coombs proposed the toast to the visitors, stating that all the St. John curlers were glad to meet their brothers from other New Brunswick clubs. A. B. Copp, of Sackville, in responding heartily thanked the St. John curlers for the excellent entertainment provided, and thought that the bonspiel was an excellent way of

Clever Boxing And Wrestling Contests

Y.M.C.A. Boys Show Promising Talent in Preparation for Championship Meet.

A boxing and wrestling exhibition was held at the Y. M. C. A. last night, and a large crowd was present for the occasion. The exhibition was held for the purpose of bringing out material for the coming city and provincial championship meet. All bouts were closely contested.

In the boxing contests, the first bout was between Joe McCarthy and Gordon Wilson. Both showed some very clever footwork. The next one was between Roderick Johnston and Ed McDonald in the fly-weight. These boys showed the result of some careful training in the boxing class. The opponents in the third bout were Worden Grey and Bruce Hewitson. This was a lively battle from start to finish, in which Hewitson led off aggressively. The last boxing match was between Harold Gilmo and Ernest Hewitson. This exhibition was a fine one, and both showed great speed and skill.

In the wrestling contests, Bill Howard, the 115 pound striker of New Brunswick, and Harold Taylor, met in the first bout. They demonstrated that they were clever masters of the wrestling science. The second contest was between Worden Grey and Earle Hewitson, and these boys proved themselves to be clever. The final one was a demonstration of holds and falls by Jack O'Hearn and Maynard McLean.

Sports At The Y.M.C.A. "Gym"

At the Y. M. C. A. gymnasium last evening the Senior Girls' Basketball schedule was the feature attraction. Miss Reedy's team won from Miss Corkery's by the score of 8 to 3. Miss McHale was victorious over Miss Mulvey by a 10 to 5 score. In the basketball match yesterday forenoon Duncan McCurdy put to cover Powell and Burns by the scores of 20 to 19 and 21 to 20.

"Bill Stuart" Had Narrow Escape

Toronto, Jan. 26.—"Bill" Stuart, the Amateur hockey player, now with St. Patrick's of this city, narrowly escaped being shot last Tuesday night when the police were firing at auto thieves on Queen street. He stepped onto the street crossing just as an auto, going sixty miles an hour, dashed by and almost simultaneously two shots rang out from the pursuing auto. To use Stuart's own expression he "stepped back two paces with considerable alacrity."

Young, of Fredericton, responded to the toast on behalf of the Capital City club, in which he stated that the bonspiel was a most wonderful way in having all the provincial curlers meet together and he trusted that it would be continued.

Toas Bouqueted

A. B. Copp then took occasion to compliment the Commercial Club for their energy in assisting the bonspiel for he felt sure that their motto to make St. John a better place to live in could have no better results than to have the curlers from the different parts of the province assemble in the Capital City. He congratulated the St. John curlers and trusted that this bonspiel would be an annual one.

A. D. Gannon, of St. Stephen's Club, on behalf of the border city's curlers expressed thanks to St. John Club for their excellent entertainment.

Geo. M. Wilson, of Hampton, spoke on behalf of his club, expressing his thanks for the kindnesses extended to the Hampton curlers while in St. John.

The gathering was brought to a close by the singing of God Save the King.

Chatham Wins Over Fredericton

Most Spectacular, Clean, Hard Fought Hockey Game on Chatham Ice.

Special to The Standard. Chatham, Jan. 26.—Chatham evoked up matters with Fredericton here this evening in what was considered one of the crucial games in the N. B. Hockey League and secured a firm hold on the coveted Chestnut trophy, when the locals defeated the Capitals three to one in what was generally conceded to be the fastest, cleanest and most interesting and hardest fought games ever played in Eastern Canada.

There was a record attendance of spectators, a conservative estimate placing the number at 1,500. The game drew a great many patrons of the sport from the nearby towns of Logville, Newcastle and other places as well.

An exceptionally large number of townspeople who turned out in mass to cheer the locals to victory. From the time the opening gong sounded it was hockey, clean, fast and sportsmanlike. The first period was so down on record as one scoreless and void of penalties. The game started with the whole Fredericton team on the offensive so that the visitors were almost altogether in the visitors' territory. It was the effectiveness of Fredericton's goal tender, Bidlake, who was plainly shown. The puck but were unable to score. Once the rubber entered the goal on a rebound but was disallowed by the referee. The period ended 0-0.

The second period opened with everyone on a charge for something. The Capitals remained on the defensive while Chatham strained every effort to tally. McMahon, speedy little wing player succeeded in ringing up her 1, followed shortly after by a second by Koughan on a pass from McMahon. Period ending 2-0 in favor of Chatham. There were three Fredericton penalties in this period.

The third period was the fastest of the game, both teams working hard. When Father Spratt, the locals' fast centre, scored number three for Chatham the cheering was long and prolonged. Shortly after, while Veno was occupying the penalty bench, McMahon, the big drawing card on the Capitals team, made an end to end rush and succeeded in putting in the visitors' only tally. The period and game ending three to one. Two Chatham men were penalized in the third period and one Fredericton player.

Burgess and Jewett starred for the visitors with Bidlake playing an exceptionally effective game. The Chatham team was greatly weakened by the return of the Capitals to the lineup. Father Spratt and McMahon were noticeably the fastest team on the ice, with Currie, Veno and Carvell in goal, giving them splendid support.

Frank Brown of Moncton refereed in a most impartial and satisfactory manner, upholding the unruly reputation he has earned in this important position.

Final lineup was:

Chatham		Fredericton	
Carvell	Goal	Bidlake	Point
Currie	Left Wing	McLean	Jewett
Covey	Right Wing	Covey	Covey
Spratt	Centre	Colwell	Colwell
Koughan	Left Wing	Burgess	Left Wing
McMahon	Centre	Lonsbury	Centre
Chatham spares	Gallivan, Mills, Cripps.	Fredericton spares	Seers, Williams, Fleet and Jarvis.

It is said the game was played under a double protest. Fredericton protested on the grounds that Veno had two places of residence, having recently played with Moncton. Chatham claimed that Fred McAlister had not yet been finally reinstated as an amateur.

St. Patrick's Win From Hamilton

Toronto, Jan. 26.—St. Patrick opened the second half of the National Hockey League race by beating Hamilton here tonight ten to three. The crowd was the second smallest at a pro game here this season.

Corbett Denney was the outstanding star of the game. Time and time again he went through the whole Hamilton team.

Graham And Rickard Have Meeting Today

Possibility of Dempsey-Carpenter Bout in Montreal Will be Discussed in N. Y.

New York, Jan. 26.—It was announced this morning a conference between C. P. Graham, president of Eastern Canada Securities, Ltd. and Tex Rickard, will be held tomorrow morning at 11 o'clock when the possibility of holding the Dempsey-Carpenter bout in Montreal will be discussed.

This possibly has caused the New York Times to comment editorially upon it, under the caption: "Our Lady of the Bells." The newspaper says that Canada tries to "snatch from us a great national and international industry, and blames the Fordney emergency tariff bill, now under consideration at Washington, for stirring some of our Canadian friends into natural threats of commercial retaliation."

"The exportation of these heavyweights means heavyweight finance," the Times says. "The romantic sum of \$700,000 is said to be the consideration."

"If the two egotistical strikers were ever to collide in Canada, what an amount of American money will go from here to there."

Where Will Dempsey Meet Carpenter?

Live Sporting Topics from London—Harry Vardon on American Golfers.

By HUGH DRYDEN. (Copyright, 1921, by Cross-Atlantic.) London, Jan. 26.—Easily first among topics of interest to the sporting community here is the question, "Where will Dempsey meet Carpenter?" There has been lately a good deal of well-founded hope that the big fight would be brought off in London next July, but now we are not so sure about it. Crowds of rumors are afloat but the only certainly seems to be a negative one—that the two heavy-weight champions will not battle in or near New York. Therefore, say the wise ones, there is but one place in all the world where they could meet with any chance of adequate profit to the promoters and that place is London.

So it came like a bombshell in the pugilistic camp when it was declared on good authority that the British Home Office had issued a warning to the potential promoters that the fight will not be permitted in this country. Being enthusiasts are dumfounded. They point out that although \$500,000 will leave the country, at the very lowest computation, some 16,000 Americans would visit these shores, and at the very lowest figure, some 10,000 Frenchmen. The Americans must spend at least \$500 per head and the Frenchmen at least \$250, say seven and a half millions, and in the present somewhat precarious condition of the pound, the Americans would visit these shores, and at the very lowest figure, some 10,000 Frenchmen.
