ACROSSE AT CRANE

FULLER ACCOUNT OF GLORIOUS VICTORY

LETHBRIDGE PLAYED AL KNEW BUT LACKED COM

Cranbrook, June 18.—The Cr stickhandlers simply didn't do to the Lethbridge boys this after crosse games. Cranbrook received feated Frank by the narrow ma two goals to one. In today's ga won by a baker's dozen to one last goal disallowed by the refer Black, of Fernie. Big as the n in favor of Cranbrook was, it g idea of the actual merits of the Lethbridge played well, very videed, but they met better men training, better combination. latter particular they were bring off combinations that we child's play to the Cranbrook lads

were badly defeated.

There is probably no greater authority on lacrosse than Billy R who on a memorable occasion both goal and point for the Sha in a terrible struggle against th kogee "Hell-Benders." Mr. Rolli pleased to give his carefully de opinion that the victory might, w hyperbole, be described as a corke very succintly sums up the ma

was a corker.

The following was the line up:
Cranbrook
J. Millergoal...... McLean point Matheson cover Staples 1st def Cowan2nd DeBeck1st Gowinside..... The umpires were A. R.

The game opened very quickly, exchanges and somewhat rough cing being the main features. A cond play shifted the attack from Cranbrook to the Lethbridge end. teous shot across to DeBeck who sumber one for the home team. A ute after the same play by the players missed the net by inches. B play was then in evidence and S who was playing a hard game for bridge, was sent to the fence for minutes. Then Gow got hurt and it necessary to retire for a few min He resumed after a short rest, and ing by the game he played subsequithe injury could not have been sea A strong seige was laid to the goal in which Patton got a nasty of the cheek. Soon after Patton's goal in which Patton got a nasty of the cheek. Soon after Patton's was attended to DeBeck caught from Miller who threw to Patton who so At the end of the first period of twinintes Mathews scored the third for Cranbrook. Thereafter the goal ting became almost monotonous. The tenth goal had been driven hom Cowan for the home side, Gow shoctor Stewart who registered the goal for Lethbridge. It was a polary. There was no hope for the ors, however, and the game ended 1 in favor of Cranbrook.

The game was quite largely atte and the gate receipts must have more than respectable. The Crant lacrosse club is in a winning vein, are fairly in the way of winning pennant.

YMIR GOLD MINES

In a circular to the shareholder secretary states: The ore bins bein secretary states: The ore bus being full it is necessary to start, the mill the manager cabled that this would done on the 6th inst. Mr. Gliman Bi has again visited the mine and repely cable that "1000 ft level raise has eappearance of becoming a good bod; ore. The average height is 35 feet as as developed; have not yet developed a strike." Since the date of this cabl feet of drifting has been done east west on the strike of the vein, the r ager in his last weekly cabled report ing that it is opening up a "fine bod ore." In a recent letter he states: " ore." In a recent letter he states: vein is certainly a very fine one, of feet wide, and it may be much we as we are not breaking into the foot, so do not know its width yet. The bitoday noon made the ore body appear ter than ever. It is safe to say that ore from the raise that we have taken and are now mining, will much more pay for the cost of the raise." With erence to the new vein, Gilman Broables as follows: "It have every hope the result of the present work will be isfactory in the course of the next 30 da In this connection the latest advices Mr. Hand report that rich pleces of ore have already been encountered in ding this crossout, which convinces that there is a vein in the immediate vity, carying good values. On the recommendations ity, carying good values. On the red mendation of Mr. Hand an option has mendation of Mr. Hand an option has secured on some claims adjoining the Y group to the southwest, the value of whe advised could be tested quickly an small cost. Gilman Brown cables regard to these claims that the "prospare decidedly encouraging." The ores be treated with great advantage at Ymir mill, and if the developments tinue to show values equal to those ready reported, the property should af a further important source of supply the company's 80 stamp mill.—The Colal Mining News
