AMERICAN NEWS.

New York, Oct. 16. The Times' coorrespondent of the Army f the Potomac, 14th says :- The enemy nade two desperate and unsuccessful attempts to-day to whip this army in detail and destroy our trains, but in both most ignally failed. Just at daybreak, between Catlett's Station and Auburn. Stuart and die.

A. P. Hill made a simultaneous attack upon Gen Gregg's cavalry and the 2nd corps, Almost the first intimation given of their rived. The only military item in the papers non the second corps. Our troops were that the Federals occupied Monroe, La. speedily in position and the enemy were repulsed with heavy loss. Late in the after screw steamer passed this point to day, steerpulsed with heavy loss. Late in the after screw steamer passed this point to day, steer-noon Hill made another dash to cut off the 2nd corps. He first attacked the rear of the 5th corps, killing three of the Pennsylvania She is supposed to be the Hammonia from Reserves, and wounding 15 or 20 more, Hamburg via Southanpton, or the City of having the same collected from the rate paywhen the head of the 2nd corps had reached New York from Liverpool via Queenstown. Kettle Run, near Bristow's, Hill made a terrible on-laught on both corps. The 2nd corps was on the east side of the railroad of the 8th Mobile broke up the camp of the toruble onslaught on both corps. The 2nd track, and used the road embankment, at notorious guerilla Cotton in Jefferson Counseveral points, for breastworks, with decided

advantage. The enemy charged at one time prisoners. up to the embankment, when a portion of The vote of the 27th, 39th, 43rd, and e 2nd corps charged in turn, capturing 63rd Ohio regiments at Memi his was, Bough 700 or 800 prisoners and one battery. Seve-1590, Vallandigham 91. ral charges were made, and each time the

enemy were forced back with great slaughter, leaving their killed and wounded in our

A memorial was drafted and ordered to be transmitted to the Government by the clerk, calling their attention to the fact, that the moneys arising from the Land Im-the state and condition re-as may, for that purpose, be named and specified in any General Order by the Com-mander in Chief, shall be supplied by the Province with uniform clothing of such one and similar colour, pattern and design, as may be ordered by the Commander in Chief, that the moneys arising from the Land Im-that the moneys arising from the Land Im-the term and also the state and condition re-and similar colour, pattern and design, as may be ordered by the Commander in Chief, that the moneys arising from the Land Im-the term and also the state and condition re-and similar colour, pattern and design, as may be ordered by the Commander in Chief, that the moneys arising from the Land Im-the term and the same efficiency shall be the the sum shall be the term and the sum of the service design at the sum one year for the above men-

that the moneys arising from the Land Im-provement Fund had not been for some time previous apportioned or transmitted to the several Municipalities. In January session a committee had been appionted to examine into the large expenses incurred from summoning juries, &c. This committee not having reported, a f resolution was adopted requesting them to do so. We understand that Mr. Code ver-bally did; stating that upon enquiry, there had been a decision that when accounts had
