Rev. Dr. Manning occupied the pulpit of the Baptist church on Sunday last and preached two able and helpful sermons. In the evening he drew his central thoughts from the text, "Pat on the Best Side." It is to be regretted that more were not present to hear such an interesting and profitable discourse. Messrs. Mason and Pick sang a duet which was much enjoyed.

We have received a copy of the Family Herald and Weekly Star in its new form. The change in size was decided upon after an expression of opinion from its great army of readers over 90 per cent. of whom approved of the change. The Family Herald, as now published, consists of fifty-six pages and upwards each issue. The new make-up will not only render the paper more convenient for reading and filing for future reference, but enables the several editors to better present the many features of the Family Herald to its readers.

Grand Pre Notes.

On Saturday evening the Taxis boys were organized in Grand Pre. Mr. Brown, secretary of Boy's Work for Kings county, was present and outlined the object and aim of this organization. Rev. W. M. Ryan was chosen as Mentor and W. R. McClelland as assistant.

The younger boys from 12 to 15 years will still form a patrol of Boy Scouts under the direction of Mr. Henry Watson.

The boys are most enthusiastic for Taxis work and the prospects are bright for one or more good squares. The Taxis training is undoubtedly one of the finest for older teen-age boys and will do much to produce a virile type of Christian manhood, the manhood that is needed for Canadian citizenship of today and the future.

Miss Jean MacLeod, of Halifax, is spending a few weeks at Grand Pre, the guest of Mrs. J. W. McClelland, Ross Cottage. It is understood that an effort will soon be made to have some monument erected in memory of Col. Nohl and the men of his command who fell in the battle of Grand Pre.

On Tuesday evening of this week, Delmore Cottage, the home of Mrs. W. C. Tremblay, was the scene of a very happy gathering. Miss Lena Curry, who shortly is to be one of the principals in an important event, was the recipient of a 'shower' given by the young people of Grand Pre and Hortonville. The rooms were tastefully decorated with June flowers. About fifty young people were present and the happy couple were completely taken by surprise.

A large and varied number of beautiful gifts testified to the popularity of the recipient, among which was a handsome chair from the returned boys of Grand Pre and Hortonville. Each gift was accompanied by a verse which described the articles and their respective uses in a very witty manner. Refreshments, ice-cream and cake were served and the company broke up after wishing happiness and prosperity to the happy couple.

Red Cross Notes.

At a meeting of the Red Cross Society held Saturday last, June 14th, it was decided to discontinue the monthly Red Cross collections. A vote of thanks was given the young ladies who have so faithfully fulfilled their duties as collectors.

Shoes That Stay the Route

It isn't the flash of the first two rounds of fashion that counts. Shoes may look good on your introduction to them; in the pick of condition; fit for the route; but they may only LOOK it. What they do when you get into them, how they stand the grueling of wear is the point. Hartt Shoes are built for any route and all sorts of feet. They have the unaffected punch of real style, quality, workmanship and a fit that stays right through to the finish.
