

ST. MAURICE TERRITORY.

Agency vacant .....	Part of Fortneuf.	Alton, Montauban, Colbert, Gosford, Rocmont, Chavigny.	73,000	30 cts.	Land mountainous. There are, however, some very fertile valleys.
Ordinary roads from Quebec to these townships.					
L. A. DUBOIS.....	Part of Fortneuf.	Turcotte .....	17,000	30 cts.	Land mountainous, stony, and in general little fit for cultivation.
Steamer and rail from Quebec to Three Rivers, and thence ordinary roads to different parts of Agency.	Champlain .....	Mékinack .....	50,000	30 cts.	
	St. Maurice.....	Caxton and Shawnegan.....	42,000	30 cts.	
Agency vacant.....	Maskinongé .....	Part of Peterborough .....	7,000	30 cts.	The land in Peterborough is of inferior quality. In Brassard and Provost the soil is somewhat broken, but generally speaking of pretty fair quality.
Steamer to Maskinongé; thence the ordinary roads.					
Agency vacant.....	Berthier.....	Peterborough, Brassard and Provost.	39,000	30 cts.	
Steamer to Berthier, and thence ordinary roads.					
Agency Vacant.....	Joliette .....	Cathcart, Joliette, Kildare, and augmentation, Brandon and Cartier.	47,000	30 cts.	In these three Agencies the land, although mountainous, is considered to be adapted for cultivation except in the Townships of Cartier, Cathcart, Chertsey, and the six first ranges of Chilton, where it is rocky and of inferior quality.
Steamboat from Quebec to Montreal, or Berthier, and from thence ordinary roads.					
ALEXANDER DALY.....	Part of Montcalm.	Chertsey, Chilton, Kilkenny, Rawdon.	102,000	30 cts.	
Railway and steamboat from Quebec to Montreal, and from thence ordinary roads as far as Rawdon, and the different parts of the Agency.					
	Rawdon.....				
A. B. LAVALLÉE.....	Terrebonne .....	Abercrombie, Beresford, part of Morin, Doncaster.	40,000	30 cts.	
Railway and steamboat from Quebec to Montreal, and from thence ordinary roads as far as Ste. Adèle d'Abercrombie, and elsewhere in the Agency.					
	Part of Montcalm.	Wexford .....	30,000	30 cts.
