

Winter Carnival at St. John, N. B.

THE CANADIAN Forestry Association had an opportunity recently of reaching over 6,000 persons during the Winter Carnival at St. John, N.B. On the invitation of the Department of Lands and Mines, Mr. G. Gerald Blyth, Assistant Secretary of the Association, was sent to St. John to attend the Sportsmen's Show, from February 10th to 17th. Mr. Blyth took with him motion picture equipment and films. The Department of Lands and Mines which was responsible for the Sportsmen's Show, in co-operation with the New Brunswick Guides' Association had secured a large hall in St. John which was very appropriately decorated, the walls being adorned with many wonderful specimens of big game heads from all over the province. At the front of the hall was a splendid collection of stuffed game animals and birds. Officers from the Department of Lands and Mines on hand, taking part in the show, were G. H. Prince, Provincial Forester, L. A. Gagnon, Chief Game Warden, C. A. Williams and H. Bradbury. The New Brunswick Guides' Association was ably represented by two of the best known guides in the province, Messrs. Harry Allan and Charlie Cremin. Mr. R. W. Tufts, Chief Migratory Bird Officer for the Maritime Provinces was in attendance and delivered some interest-

NORTHERN ONTARIO

The great Clay Belt of Northern Ontario lies one degree south of Winnipeg, and contains millions of acres of virgin soil fit for mixed farming, which may be had by returned soldiers and sailors free; to others 18 years and over, 50 cents per acre.

It is one of the greatest expanses of fertile territory in the world.

ing illustrated talks on bird life. Thirteen public meetings were held during the week with a total attendance of 6,250, of which 3,250 were adults. Through the courtesy of the local school authorities a large number of the older school pupils attended morning and afternoon sessions. Three meetings a day were held and Mr. Blyth addressed each meeting on the subject of Forest Conservation and Forest Fire Prevention, illustrating his talks by motion pictures.
