This Man Is Growing Bald—"Crystolis" Is
Just the Thing for Such Cases.

In Europe "Crystolis," the New English Hair Grower, has
been called the most wonderful discovery of the century.

The judges of the Brussels and Paris Expositions enthusi-
astically awarded gold medals to this marvelous hair grower.

Already since we secured the American rights hundreds
of men and women have written telling of the phenomenal
results obtained by its use. People who have been bald for
years tell how they now glory in beautiful hair. Many re-
port new hair growth in 30 days or less. Others who have
had dandruff all their lives say they have got a clean healthy
scalp after a few applications of this wonderful treatment.

We do not care whether you are bothered with falling
hair, prematurely gray hair, matted hair, brittle hair or
stringy hair, dandruff, itching scalp, or any or all forms of
hair trouble, we want you to try "CRYSTOLIS" at our risk.

We give you a binding guarantee without any "strings"
or red tape, that it won't cost you a cent if we do not prove
to you that "Crystolis" will do all we claim for it, and
what's important we have plenty of money to back our
guarantee. \$1000 has been deposited in our local bank as a
Special Fund to be forfeited if we fail to comply with this
contract. Cut out the coupon below and mail it to-day to

Mistress: "Now, Sarah, I want you to
be careful about breaking this vase. It
cost a great deal of money, and I would
hate to have it carelessly broken the first
thing."

Sarah (three days later): "There's
your vase, ma'am, and I couldn't have
broke it more carefully if I'd tried for a
month."
