

Erindale's upset loss to Malton tightens race

The Mississauga Hockey League minor midget white division is becoming a tight race for the top three positions as third place Malton-41 upset league-leading Erindale-35 by a convincing 5-1 count.

MHL nears playoff schedule

For the first time ever, the prize of winning a playoff title in the Mississauga Hockey League will have an added incentive.

Winners of various MHL age divisions (ranging from tyke to juvenile) will receive a chance to face Metro Toronto Hockey League foes in the post league campaign.

MHL playoffs are scheduled to get under way on Sunday, March 18 in all AAA, minor midget red and juvenile red series. All other series will start playoffs on March 31.

The AAA series, a newly-introduced super major division, consists of tyke, minor atom, atom, peewee,

minor bantam and bantam categories.

Playoffs are scheduled according to the number of teams involved. In paper-weight, tyke, minor atom, atom and peewee groups they will consist of two-game, total-goal stands. The only exception is the final of the peewee series, where it'll be a best-of-three affair.

In all remaining age groups, playoffs will be on best-of-three basis with the exception of juvenile and junior divisions, where (time permitting) plans call for best-of-five stands.

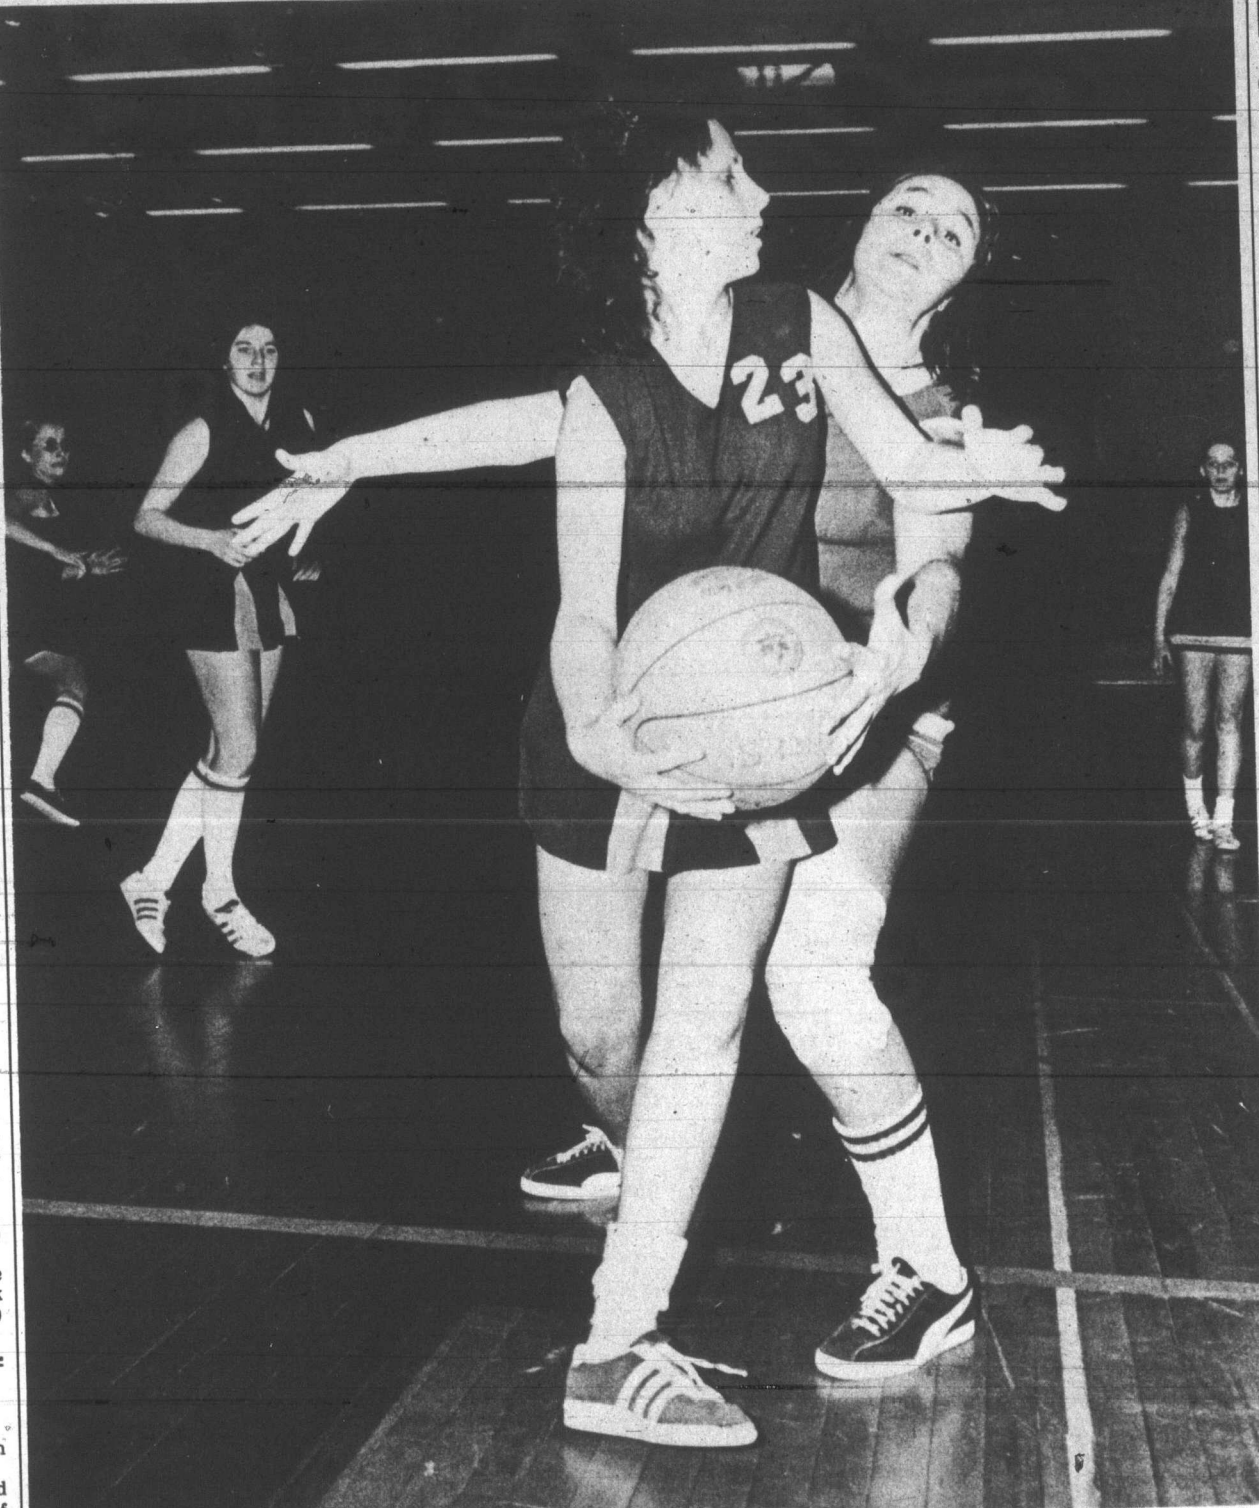

Applewood softball

The Applewood Girls Softball Association will hold registrations for players in the 8 to 18 year age bracket at Dixie Burnhamthorpe

Community Centre on Saturday, March 24 (9 a.m. - 1 p.m.) and Wednesday, March 28 (6-9 p.m.).

Registration fee is \$8.

Holden made a clean sweep, then last week it was Audrey Chantler who displayed a hot hand in taking both singles (flat 286, handicap 298) and triples (690 and 726) classes.
