will try to swing a solid Liberal
Manitoba & sack and offset the
losses they expect to incur in the
East by a practically solid Liberal
Prairie west except where W.H. Wood
can hold his crowd together in Alberta
In my mind its also a safe bet that
if redistribution is put through this session
we will see a Federal election this fall
or earlier

If you were in this west and seen or heard
all this commotion about "On to the Bay"
Hudson Bay of course and see who were
shouting the loudest one cannot help
thinking that the faithful Liberal Henchmen
have been tipped off to get the public worked
up ready for some faithful promise by
MacKenzie King that if reelected his first
thing would be to complete the H.B. Ry from
a national standpoint whether the C.P.R. who
are heading for it Churchill the only logical
port at low cost. were going to the bay or not.
I am writing you this as a personal & private
opinion as it wont do me any good to get
mixed up at present time politically especially
against the Drumming Sort which of course I dont
support - but keep quiet. But I think its get ready
for Federal election this fall
yours truly
William Robertson M.D.
