Sir,-

Referring to my letter of the 21st April last, with reference to the deposition of Francis Silphan from the chieftainship of the Little Lake band, the Department would like to be informed whether you are still of opinion that this Chief should be deposed, and whether you have any more specific reasons to advance in support of the recommendation made by you in your letter of the 6th April last.

Your obedient servant,

*Tom Leman*  
Secretary.
