Ottawa, 21st December, 1914.

Sir,

I beg to enclose herein a copy of a letter from Mr. A. John, which speaks for itself. The Department sometime ago received a similar letter from him and asked him to communicate with you, which apparently he has not done. Would you kindly look into his claim and advise him as to the situation.

ENC.

Your obedient servant,

L. J. [Signature]
Asst. Deputy and Secretary.

Gordon J. Smith, Esq.,
