

Her fav'rite young lambkins ran bleating around,
 (Their fleeces were whiter than snow !)
 The cliffs crowned with oak wood, returned the soft sound ;
 The still lake gleamed placid below.
 ' How happy,' she cried, ' in some sheltered retreat,
 With lambkins and flock bleating nigh ;
 In my straw-covered cottage, though humble, yet neat,
 I could live--- and contented would die !

Full Moon, 2d Day, 0h. 15m afternoon

Last Quarter, 10th Day, 10h. 35m morning

New Moon, 17th Day, 2h. 7m. morning

First Quarter, 23d Day, 11h. 44m. afternoon
