

JOHN STARK, Esq.,

*Treasurer Board of Home Missions.*

Baptists living in Toronto and many outside of it, will recognize in this second cut Bro. Jno. Stark, Treasurer of our Home Mission Board. Few are aware of the amount of work required in keeping the books belonging to his office, the number of entries to be made almost daily, of receipts from churches and individuals, the preparing from the same monthly an acknowledgement in the *Canadian Baptist* of all monies received, and again paying out the same to the large number of Home Missionaries (over seventy) who are entitled to receive it. This work Bro. Stark has done for the past eleven years, and, as those who have come into contact with him in the discharge of his duties can testify, in a most obliging and agreeable manner. No man in our Baptist ranks is more worthy of honorable mention than our true friend John Stark.
