HALL'S Vegetable Sicilian HAIR RENEWER

was the first preparation perfectly adapted to cure diseases of the scalp, and the first successful restorer of faded or gray hair to its natural color, growth, and youthful beauty. It has had many imitators, but none have so fully met all the requirements for the proper treatment of the hair as scalp. HALL'S HAIR RENEWER has been used in favor, and spread its fame and success to every quarter of the globe. Its unparalleled success can be attributed to the cause: the entire fulfillment of its promise.
The proprietors have often been surprised at the receipt of orders from remote countries, where they had never made an effort for its introduction.
The use for a short time of HALL'S HAIR RENEWER wonderfully improves the personal appearance. It cleanses the scalp from all impurities, cures all humors, fever, and dryness, and thus prevents baldness. It stimulates the weakened glands, and enables them to push forward a new and vigorous growth. The effects of this article are not transient, like those of alcoholic preparations, but remain a long time, which makes its use a matter of economy.
