A Martyr Missionary's Legacy to the Church

*"Each man is immortal till his work is done—
Therefore, be thou busy till the set of sun.
Heed not thou the heartache, or the throb of pain;
God Himself will give thee sunshine after rain.
Think not of to-morrow as a source of care,
When to-morrow cometh God will still be there.
Thou art His possession, therefore He will be
All that thou art needing, everything to thee."*

—A Quotation found in a book belonging to the late Rev. H. Girling, of Coronation Gulf, one of our noble missionaries who died a martyr death.
