Special Features to Tempt You.

BESIDES BEING MADE RIGHT and of the right material, this bicycle has a host of special features to make it more attractive.
It has always kept away in front with the march of improvements, and this year finds it a splendid leader.
There's the newest of all things in "Bicycledom," the Hygienic **CUSHION FRAME.**

It has stocked wheeling with comfort and pleasure—It has made all roads smooth—It is to bicycling what the "Pullman" is to railroading.
Particular attention is also called to the lower brackets of this wheel and the bearings thereof. Positively without a peer—neat, small, possessing unusual strength and are easily adjusted.
