#### BASEBALL.

##### Accepts The Presidency.

Mr. Harry McLeod has accepted the presidency of the Tartar Baseball Club and the matter of electing an Honorary President is now being thought over, as well as that of Patrons. A Vice President will be appointed to act as chairman at meetings of the Club in the absence of President McLeod, who although honored by his election feels that business duties may interfere with his being present at many of the meetings. Mr. McLeod will also act as solicitor of the Club, which will be run on a business like basis this summer.

##### Alerts Will Be Ready.

Capt. George McCorquindale of the 1904 Alerts Baseball Club feels that the West End ball tossers will have a team in the field for evening games this season. Some trouble is anticipated in securing a lease of the Trotting Park diamond for the coming season and if unsuccessful in this respect the Alerts will join the happy band at Scully's Grove.

##### Captaincy of the Tartars.

There has been some talk of George Burden being named for the captaincy of the Tartars for 1905. George is a man of good judgment, cool headed, a good leader and one who knows enough about baseball as it is played in the big leagues to be a grand captain. However he is now treasurer of the Club and the feeling that that will make a pretty good billet for him and he is willing to see Arthur Finnamore get the job without opposition. Arthur is a hard worker and will be a good captain if he just keeps perfectly cool all the time. Burden should be one of the committee to pick the team.

##### A Practice Line Up.

The diamond at Scully's Grove is fast rounding into shape and a game is apparently not far off. Just now two fast nines could be picked up to furnish some amusement. Here's one line up that has been suggested:

Cubs  
McDonald Catcher Dunphy  
Boone Pitcher Malloy  
Burden 1st Base Lifford  
F. Hughes 2nd Base G. Finnamore  
Foster 3rd Base J. McBeath  
A. Finnamore Short Stop J. Roberts  
McFarlane Left Field F. Flanagan  
McManamin Centre Field J. Tibbitts  
T. Hughes Right Field J. Jones  
These two teams would furnish a good game and draw a good crowd.

##### New Brunswick League.

In St. John they are bucking up once more and doing something towards the formation of a New Brunswick Baseball League. Joe Page's team will be, Nesbitt and McKachern, pitchers; Mills, catcher; Carson, first base; McGilgan, second base; Howe, third base; Tompkins, short stop; Cooper, right field; Woods, left field, and Creagan, centre field.

The Portlands will also organize this season, it is early, and "Patsy" Friars, McLeod, George, McDonald, Howard, and all the other players are said to be available. There is a feeling here that perhaps Moncton, Fredericton and two St. John teams would be about all the league could stand for this year. Woodstock and Newcastle, although all right from a Fredericton view, may prove too far out of the way for the present. If Woodstock and Houlton entered teams and Newcastle also got in the circuit everything would look nice except the fun of paying the railroad tickets.

#### BOWLING.

##### Local League Formed

A meeting of bowlers took place yesterday afternoon at the office of Harry F. McLeod. There were present at the meeting representatives of the five teams interested in the Local Candle Pin League and a schedule of twenty games was arranged for. All the games will be played at the Arctic Rink Alleys and the quartette having the largest total pin fall at the close of the schedule will be declared the winners of the four handsome silver cups offered by Manager Charlie Bell, of the Arctic Rink Alleys.

The schedule of games follows:

"I cannot speak too highly in praise of Smith's Buchu Lithia Pills, as they have done me a vast amount of good. For several weeks I suffered terribly from lumbago, and expended a great deal of money in experimenting on a cure, but failed to find anything of merit until I commenced taking your pills. I got relief from the start, and within a few days was able to resume work. The disease has wholly left me, and I am at your service in speaking a word for your pills."

#### BASKETBALL

##### Fredericton Won From Milltown.

Milltown's basketball team when they arrive home today will probably tell the people down that way that the Fredericton people know how to play basketball. On Thursday night the Milltown aggregation went down before the University team, score 16-11. In the first half Bob Vandine was the referee. He went along at things pretty much as he always does and his idea was to eliminate every touch on roughness and to adhere to the letter of the rules more than the spirit. The Milltown boys were not used to playing a "ladylike" game at any rate and the result was that they were often penalized. When their own team's referee, Mr. Campbell, took charge everything went right and the score was materially boosted.

Last night George McKee was referee and a better man has yet to appear here. He ran the game in fine style last night and deserved all the credit given him.

It was Secretary Ley who picked the team to represent Fredericton last night and he did so well that nobody had a right to have a kick coming. Every member of the team earned hearty applause for his work and between them they ran up a score of 15-4 in the home team's favor.

The teams lined up as follows:  
Fredericton  
McIntosh  
Fowler

Bad  
Blood.**

At this time of the year the system is clogged up with waste and poisonous matter, the blood becomes thick and sluggish, and causes that tired, listless, dull, all-gone-no-ambition-dont-care-to-work-feeling. The cleansing, blood-purifying action of B. B. B. will drive out all this poisonous matter from the system, and make you feel yourself again.

Corbett forwards Patterson  
Mungall centre Finnamore

Shannon defence Burden

The scoring was done in this manner:

##### FIRST HALF.

1. McIntosh, Milltown, field goal.
2. Finnamore, Fredericton, penalty goal.
3. Patterson, Fredericton, field goal.
4. Finnamore, Fredericton, field goal.

##### SECOND HALF.

5. Patterson, Fredericton, field goal.
6. Mungall, Milltown, field goal.
7. Fowler, Fredericton, field goal.
8. Patterson, Fredericton, field goal.
9. Patterson, Fredericton, field goal.
10. Fowler, Fredericton, field goal.

##### Penalty and Field Goals.

Where was the crowd?  
The receipts were \$30 shy.  
All-Fredericton and the U. N. B. next.

"Cy" Patterson for a young fellow is the star of this burg. He's a dandy. Capt. McIntosh showed stage fright. He was afraid of McManamin and "quit."

That man who said Fowler wasn't fast enough has not been seen since. Corbett seems from the way he works to be possessed of the strength of his pugilistic namesake.

Mungall found that to hold McManamin meant a couple of good pokes in the ribs. Mungall is a fast man.

Arthur Finnamore dodged around so much at the start that he was soon about all in. Then Mungall's weight began to tell.

McLeod is a strong customer. In his case the Sampson idea of long hair and lots of it for strength doesn't work out. McManamin was in good shape and played his best game of this season. He had awful hard luck on his long throws to the basket.

Shannon found that he could not throw "Cy" Patterson around the way he did Hayward. "Cy" bumped him often. Shannon's specialty is fouling.

George Burden played a remarkable game. He was all over and he was in it with both feet all the while.

"Jack" inside work is a hard asset.

Had the home outfit been strong on throwing they would have doubled their score. They should have one man to throw their penalty goals. Burden or Fowler or Patterson should be the man. Fifteen minute halves were too short for everybody except Capt. Finnamore.

Slighting an acquaintance is always more than a slight mistake.
