Fredericton Fair Stakes Made \$500

The Fredericton Park Association Board Increase Purses.

OVER \$10,000 FOR THE SEASON HERE

Three Days Racing at a Midsummer Meeting in Fredericton.

The four stakes on the Fredericton Park Association's programme for the harness races during the Fredericton 1921 Exhibition next September will each be worth \$500.

The directors of the local track, at a meeting during the week-end, decided to increase the gross value of the four stakes from \$1,000 to \$2,000, each stake being advanced from \$500 to \$1,000, and thus keeping pace with most of the other tracks in the circuit.

The four stakes are: 212 trot and pace; 218 trot and pace; 227 pace and 227 trot. Trotters entering mixed events are given four seconds advantage when an additional 1 per cent will be payable, thus making the total entrance fee 3 per cent.

The increase which has thus been made means that the total amount offered in stakes and purses for the Fredericton 1921 Exhibition races will be in the vicinity of \$6,000, or about \$1,500 a day. It also means that the total offering in purses by the local association this season will be in excess of the \$10,000 mark, as it has been decided to give three days racing at the midsummer meeting here.

Curtain Raiser Here, Too.

The week of July 17th was allotted to Fredericton by the Maine and New Brunswick Circuit and July 18th, 19th and 21st were selected as the racing days at the week-end meeting. There will be either eight or nine races on the three days programme and purses to the value of from \$500 to \$1,000 will be offered, while there also will be a curtain raiser for the season's racing here on July 1st (Dominion Day) when there will be three or possibly four races on a big holiday programme to mark the official opening of the racing season.

Within a few days it is expected the entire racing programme of the New Brunswick & Maine Circuit will be arranged. Present indications are that the gross offering of stakes and purses will be between \$6,000 and \$7,000, thus making it the most potent harness racing circuit ever organized "Down East."—J. D. B.

A New Trotter For Harry Nevers' Stable

Miss Talbot is the name of a three-year-old trotter by J. Malcolm Forbes which arrived in Houlton, Me., yesterday, having been purchased by Harry A. Nevers, the well-known Aroostook county trainer, at the Blue Ribbon sale at Madison Square Garden, New York, last week.

Miss Talbot is a good looking dark brown filly, weighing over 300 pounds, and is expected to be a high classed trotter this year. Last season, as a two-year-old, she was second in 218 on a half mile track and was looked upon as a promising "trotter," although secretly good enough for the Grand Circuit. The price paid for her at the sale was \$1,350.

The 1921 World's Series

Ottawa, champions of the National Hockey Association, will clash with the Vancouver Club, champions of the Pacific Coast League, at Vancouver, B. C., tonight, in the first game of the annual hockey world's series for the Stanley Cup.

The historic trophy now emblematic of the professional hockey championship of the world was first offered as a trophy for amateur competition by the late Lord Stanley in 1893 and has been competed for in a world's series annually since the hockey classic was inaugurated in 1914.

Ottawa have identically the same team again this year that won the championship last year from Seattle, who had won the Pacific Coast League title and who they defeated in three out of five games, the total goals scored being 15 to 11 in favor of the Easterners.

There have been six world's series and the results have been evenly divided. This season's series will therefore give the winners the edge.—J. D. B.

U. N. B. Defeat Marysville In Post-Season Game, 8 to 1

Collegians Display Best Brand They Have Shown Here This Year—Fredericton-St. John Game Scheduled for Tonight Called Off Because of Return of Mild Weather

U. N. B. won a walk-away post-season hockey game with Marysville on Saturday night when they defeated the latter by a score of 8 to 1 in a one-sided but hard fought match before a small crowd at the Arctic Rink.

From the first the U.N.B. team demonstrated their superiority in combination play and put up the fastest hockey they have shown here this season. While the U.N.B. were "on" the Marysville team were away "off," and though they worked hard all the time, they were unable to get more than one tally.

"The poke-checking and following up of the U.N.B. forward line was always a factor in the failure of the Marysville forwards to score. Searns in the nets for the U. N. B. team put up a stellar game, having numerous stops to his credit, and allowing only one shot to get by him. The U.N.B. forwards excelled and had lots of speed while Barry on defence with Jewett, played better than in previous games and the whole team showed the results of the coaching of "Larry" McLean.

Clarence Wade and Brewer were the hardest workers of the Marysville team, the former getting away on many dangerous rushes only to lose the puck at the U.N.B. nets, while Searns refused to let more than one shot get by. Feeney in the Marysville nets put up a good game but could not check the combined team rushes of Lounsbury and Platt. Thirty seconds before the second period closed Feeney was struck by the puck on the head and knocked him out, and went down but he was soon able to resume.

Three minutes after the start of play Lounsbury on a pass from Platt scored the first tally of the game. Thirty seconds later Dow Brower countered for Marysville on a pass out from behind the U.N.B. nets. Then Jewett, on a long shot, scored the count which put the red and black team in the lead. Marysville came back strong and time after time the poke-checking of the U.N.B. forwards saved the situation. On one of these attempts Burgess secured the puck near centre ice and rushed to the Marysville nets, passing Edgar Wade and getting one by Feeney for another count. Platt repeated the performance five minutes later on an individual rush and the period ended with the score 4 to 1 in favor of the U.N.B.

In the second period Lounsbury made the first on a shot from a mix-up in front of the Marysville nets and two minutes later Platt, on a pass from Lounsbury, brought the score up to 6 to 1. About nine minutes after the start of the period Burgess, on a pass from Jewett, scored again, the puck being carried down the ice by the pair of them on a pretty piece of combination play. With half a minute to go Lounsbury lined one at the Marysville nets which struck Feeney on the head and knocked him out, but slipped by him into the nets.

The third period was scoreless but lasted only about ten minutes as the Marysville team were forced to leave early to catch their train.

The line-up:

U. N. B. Goal: Feeney. Defence: E. Wade, M. Wade. Centre: Platt. Left Wing: C. Wade. Right Wing: C. P. Wade. Spares: L. Harrison.

Referee—Hain Pugh. The scoring:

First Period. 1—U. N. B. Lounsbury, 3 mins. 2—Marysville, Brewer, 20 mins. 3—U. N. B. Jewett, 2 mins. 4—U. N. B. Burgess, 5 mins. 5—U. N. B. Platt, 5 mins.

Second Period. 6—U. N. B. Lounsbury, 3 mins. 7—U. N. B. Platt, 3 mins. 8—U. N. B. Burgess, 4:30 mins. 9—U. N. B. Lounsbury, 10 mins. No scoring in third period.

The penalties: First period—Jewett, 3 mins. Second period—Lounsbury, 3 mins. Jewett, 3 mins; I. Wade, 3 mins; Brewer, 2 mins.

Third period—No penalties. Total—U. N. B. 9 mins.; Marysville, 11 mins.

Because of the return to mild weather again the game scheduled for tonight between Fredericton and St. John has been cancelled.—W. McF. H.

McFarlane Wins CURLING SERIES

Judge Limerick's Rink Collapsed When Leading 14 to 7 and Two Ends to Go

A. S. McFarlane and his rink won the Fredericton Curling Club's Management Committee Series at the curling rink on Saturday evening by defeating the rink skipped by Judge Limerick in the first match by a score of 16 to 14.

The game was one of the most closely contested seen at the local rink this year, the contesting rinks keeping even up to the last three ends of play, when Skip Limerick found himself ahead of his opponent by a score of 14 to 7 with two ends to go. Skip McFarlane then settled down to work, however, and in the thirteenth head obtained a four end; he added three more in the fourteenth end, tying the score. An extra end was necessitated to decide the winner of the game and of the series and by superior curling Skip McFarlane's rink scored two points, thus giving them the match by a score of 16 to 14.

The score follows:

J. McFarlane W. J. Carlen De R. McElhannon J. R. Howie E. A. McKay J. R. Walker A. S. McFarlane Judge Limerick skip 16 skip 14

MACDONALD'S CUT BRIER

MACDONALD'S "BRIER" has become a Canadian institution. Smoked by the men who made history. In the bush, on the trail, in mining camps, prospectors' huts, factory yards, on trains, steamships, in the luxurious homes and downtown clubs of our Canadian cities—Macdonald's has always been recognized as the smoke.

MACDONALD'S CUT "BRIER"—the same tobacco but in new form—maintains every Macdonald tradition since 1858, and gives to smokers—more tobacco for the money.

The Tobacco with a heart
