I., Sept. 1 .- The \$2,500 took place in Jamaica Eay this There are many good places on the Restigouche and Bay Chaleur for the establishment of such a hotel, but in my men were in fine shape, although Courtopinion Campbellton is the last and poor- ney complained of having been weakened by the drinking water he had been oblig-Campbellton will no doubt be the ed to use for several days until he obtainbut now it is too late.
>
> There is only one other point on which I will speak and that is the use of local as well as standard time.
>
> Stroke it was jerky, and his body had none of the quick action of Hanlan's. Opposite the big Hotel Dock Hanlan was five lengths in the lead, and at the turn half a mile forch. What is the reason that standard time by about the same distance, making the cannot be universally adopted here as in turn fifteen seconds ahead of Courtney. other places? This local as well as standard time is an unmittigated nuisance in many New Brunswick towns and should be done away with at once and the cheers and yells with which the excited spectators greeted him. He quickly finished the one-sided contest, and was followed 19 seconds later by the Cayuga County boy. Hanlan finished at 5:58:21 aving made the course in 19:211, beating he best previous record 11 seconds Courtney was also cheered as he returned to the dock. No excitement was mani-
