#### Niagara Falls Defeated London Yesterday-Scores In the Big Leagues.

The Hamilton Baseball Company's per forming Tigers commenced a series of home games at the Barton street ball yard last evening. The game was advertised for 6.15, in the hope that fans would drop in on their way home from the race track, but the experiment was not a success. The talent failed to connect with the box office; some because they loaned all their ready cash to the bookmakers till this afteroon, others because they were in a hurry to get home to satisfy the demands of the inner man. Twilight games will not do in this city. When Mister Ostermoor Smith stepped out in the open, with the indicator in his hand, to announce the batteries, there were about a score of fans in the bleachers and the grand stand was full of empty seats. Before the game had gone very far, however, about half a hundre persons, simething a few ladies, filed into the stand. These, evidently, had particles and the fact that Liebensperger got another attack of the bugs and asked for his relace to the plea that his arm was all bad for a month to come, and jumped the job, was trotted out to pitch, as a synchronic stand. These, evidently, had particles are the game and the gloaming brand naturally has been abandoned. Before the game had gone very far, however, about half a hundred persons-rineffding a few ladies, filed into the stand. A few plungers, who had not been able to give battle to the books further east on the car line, accommodated them in part. The aforesaid jolly party, once they had their money down, started a running fire of comment, caustic and comical, at the Hamilton team, particularly Blondie Long.

The game was played in pretty fast time, less than two b urs, considering that the light was none too good toward the end. The two new players signed by Manager Curtis were in uniform. Patrick O'Mara, from the Nutmey State, was greater than Finnemore at first. He made no mistakes covering the initial bag, but he did not show up very well with the willow. On his first appearance at but he made a nice sacrifice. In the next three times up he struck out, struck a grounder to short and flied to second. Cook, the new shortstop, struck out once, flied to center, hi', an infield grounder and got first on an error. He did all there was for him to do in the infield in a satisfactory manner.

The Hams started the run-getting in the second, when Coyle reached first on an error of short, and made the circuit on a sacrifice, a steal and Long's two hagger. DeRohn and Long also came home, the former on Long's dive, and Long on a hit by Maxey. The total tally was three.

The Tigers got two more in the fifth and two in the seventh. Long scord in both innings. His batting average was 1,000, as was also the other Hamilton player—Maxey. Why the new captain should put himps first in the batting order and a slugger like Long at the tail end is a question that the Fans Contrary Club should discuss at its next. After Long had tired out several new benders he invented while watching the winding course of Niagara Falls, he fell back on his old spit balls and his dipthed-dips and in the next two innings not one man reached first. A single was made off him in the last, but the runner died at second.

JUR REMODELLING OPERATIONS HAVE COMMENCED in earnest. The front of the building has been fenced in for the protection of passers by, and the outside of the building begins to have a very dilapidated appearance, and will be more so as the contractors progress in the work of tearing out the old front. But don't forget that everything is all right inside. We are still here for business and are looking for greater business all the time. A safe passage way

has been erected from King street to the door of the corner store. We hope soon to open out a store that will be a credit to the city of Hamilton, and in the meantime invite everybody in need of

to come and see us, and while it may not look inviting from the outside it's all right when you get past the door, inside.

We have carried on for the past few weeks a most successful Remodelling Sale, and we must continue it for some time as we find ourselves altogether too crowded, contractors requiring more space for their work than we planned for. We therefore continue this Remodelling Sale until we have sufficient room for the proper display of our goods.

Dressers, Cheffonieres, Dining Room Suites Parlor Suites, Center Tables, Den Furniture White Enamel and Brass Beds

We continue to thin out these with Remodelling Sale prices, and this is certainly a great opportunity for home outfitters to get high class Furniture and Carpets cheap.
