

TIGERS BEAT THE ARGOS

AT THE CRICKET GROUNDS BY A SCORE OF 26-4 ON SATURDAY.

Over Three Thousand Enthusiasts Witnessed the Game—Jungle Terrors Were Much the Best in Every Department of the Game and Never Had to Extend Themselves—New Men Showing Up Well.

ART MOORE.
The famous Tiger half back is playing a great game this season.

"Our men did not seem to be in condition to go the route. They played a good game for the first ten minutes and then seemed to be about all in."—Capt. Corryell.

"If our outside wings had played in Ottawa like they did on Saturday, the result of the first game might have been different."—Doc. Thompson.

"The Argos did not give us as hard a game as we expected."—Captain Ben Simpson.

"I never refereed a game in my life that was easier to handle."—Referee Hugh Hayes.

"The Tigers showed class on Saturday, but wait until the Rough Riders come here on the 6th of November."—Secretary Hardy Awey.

"Our full backs played a little better than they did against Montreal last Saturday, but I guess the team needs considerable shaking up yet."—Joe Wright.

"And now for the Winged Wheel aggregation on Thanksgiving Day."—Sim Vaughan.

SCORE

Tigers 26; Argos 4.
And the game was as poor a spectacle of football as the score would indicate. It seemed a shame; in fact, a veritable slaughter of the innocents, against a team as strong as the Tigers, but for years the ambitious oarsmen have been journeying to Tigerville, hearing the jungle king in his lair, and generally with a result as disastrous as Saturday's. In fact, it beats the writer's memory to recall when the Argos ever did defeat Hamilton on a local gridiron. However, the Toronto bunch continue to strive, despite the reverses of past years, and their optimistic efforts will some day be crowned with success. Saturday's game proved one thing, and that conclusively, the Argonauts are a false alarm in the Inter-Provincial League this year, and at this stage there does not seem to be much doubt that the Tigers will be in bottom position, without a game to their credit, when the season closes. There remains but one chance for the blue and white team to do anything this year, and that is to get a complete new back division. Their wing line is passable, and with a little encouragement they have it in them to play a rattling good game. They held the husky Tigers' line well in the early stages of Saturday's game, and with a little more condition they would not compare badly with any line in the league. But that back division. Their punting was absolutely punk, and their catching mediocre—or worse. Of course, they were playing under the disadvantage of a slippery field and a greasy ball, but nevertheless, such football as they played was sufficient to overshadow the work of the best wing line in the country.

GOOD SIZED CROWD.

A good-sized crowd saw the game, it being estimated that over three thousand fans were at the Cricket Grounds. Considering the threatening condition of the sky, such a turn-out speaks volumes for the football enthusiasm of the public of Hamilton, and without doubt good weather will see an overwhelming crowd at the grounds when Montreal and Ottawa play here. The rain held off just long enough for the game to get started, and then it came down in torrents. Happily it did not continue long, and before the second quarter was well under way the sun was out again. Towards the end of the third quarter it began to sprinkle again, and stopped just before the game ended.
It was a difficult matter, a most difficult matter, for even the most confirmed Rugby bug to enthrone much over Saturday's game. It was too one-sided to give the spectators any chance to get excited, and only when a player would make a good run did anything like agitation show itself in the stands. As an exhibition of the great game, it was decidedly poor and not to be compared for a minute to the battle in Ottawa a week ago. The Tigers never really extended themselves, but saved their men as much as possible for the big games that are to come, while the Argos were not capable of putting up a strong argument. Lack of condition was obvious in all their plays, and this condition was mainly responsible for the poor showing they made. Towards the end of the game Argonaut men were succumbing every few minutes to the hard tackles of the Tigers, and in two instances new players had to be brought on. The Argos suffered a loss when Corryell, the blue and white captain, was

ing of Captain Ben Simpson. Ben always performs up to standard, and Saturday was no exception. His booting leg was in good trim, and he ran and caught with his usual expertness.

George Smith at full back put up an errorless game, and demonstrated his right to be playing in senior company by several good end runs, one of which resulted in a try.

No fault could be found with the work of the scrummage. Pfeiffer, Craig and Bethune work well together, and are about as strong a trio as can be found in the Dominion.
Vickley was given a try out as left outside and acquitted himself with credit. He followed up fast, and made some good tackles. His work was a big improvement over that of Loftus, and he will likely be played in that position until Don Lyon and Walter Marriott turn out.

sensational and runs, and despite the slippery footing dodged in fine style. Art has regained all his old form, and before the end of the season is reached some of those famous zig-zag runs will be in evidence.

OTHER PLAYERS IN FORM.

There was a marked improvement in the work of Art Turner on his showing of a week ago, and if the white-haired punter in progress he will soon find himself in Don Lyon's class. For the past week Turner has been practising hard on the tackling dummy, and his tackling on Saturday was about one hundred per cent. better than it was in Ottawa. He followed up well, and went over for a nice try in the third quarter. Every time Rajah Wigle hit the line he generally left a big dent in the anatomy of the Argos players who tried to stop him, and two or three times the aid of the hospital corps was necessary to repair the damage he did. Wag is certainly improving his reputation as a line bucker, which is going some.
Bob Isbister was used as a battering ram on several occasions to good advantage, and always succeeded in making a yard or so, while as a blocker Isy has no peer. In numerous instances he was seen holding two men.
Wally Barron played his usual steady game, and tackled especially well. He had it on his mark, Taylor, at all stages of the game.
Little needs to be said about the play-

VARSITY DEFEATS MCGILL; QUEEN'S TRIMMED BY OTTAWA.

University of Toronto Won by a Score of 18-1—Queen's Protested the Game in Ottawa—Dundas Ran Up Score on Argos.

The University of Toronto beat McGill University by 18 to 1 at Varsity field, Toronto, on Saturday. This decided victory over the hosts of "old McGill" makes the blue and white look like a champion team again. After the defeat of Ottawa College by McGill a week ago it was agreed by the experts that the score was fairly representative of the merits of the teams. That being the case the Varsity triumph on Saturday shows the Queen's Parkers prominently to the front as championship possibilities, especially after their defeat of Queen's University in Kingston.

There was a very decided margin in favor of Varsity throughout the game at the Oval on Saturday. Both in the back field and on the wing lines Toronto was superior to McGill. The Toronto half line handled the ball cleanly, returned punts with good judgment, and ran back the ball for frequent and substantial gains. The McGill backs fumbled often and were outplayed. On the line there was a marked Toronto superiority, the fast and heavy wearers of the blue and white breaking through and nailing the Montreal students in their tracks time and time again. The reason for the local victory is due about equally to the superior work of the Varsity back field and the inability of the McGill wings to stop their Toronto checks.

A strong crosswind prevailed throughout the game. Rain fell copiously toward the end of the contest and made the field and ball slippery, but on the whole the day provided good football weather. Dr. Hendry refereed capably, and George Ballard was a satisfactory umpire. There were no serious injuries, although Capt. Gilmour, of McGill, received a hard bump on the head, which dazed him for a time. His friends endeavored to persuade him to retire in favor of a "sub," but he refused to leave the game. The Varsity wings afforded their back field splendid protection. To Gall was entrusted most of the punting, while Lawson and Capt. Newton did most of the bucking and end running. Lawson's line plunging was great, and he evaded tackles wonderfully. The tackling of Varsity was also superior to that of McGill, the Toronto boys diving fearlessly for the knees and ankles of their opponents carrying the ball. Only once was the Varsity line in danger of being crossed, but the big line made a determined stand and withstood two bucks and ran back the ball from the danger zone when McGill was forced to kick.

Teams:
Varsity—Full, Dixon; halves, Lawson, Newton, Gall; quarter, Foulds; scrummage, Jones, Bell, Ritchie; inside wings, Muir and Kingston; middle wings, Hume and Lajoie; outside wings, Park and Thompson.

McGill—Full, Hastings; halves, Lee, McEwen, Brydson; quarter, Forbes; scrummage, Timmons, Ayer, Turnbull; inside wings, Mathewson, Bignall; middle wings, Gilmour, Dowling; outside wings, Black, Goodere.

Referee—Dr. W. B. Hendry. Umpire—Geo. Ballard.

OTTAWA 11, QUEEN'S 6.

Ottawa, Oct. 18.—Ottawa College defeated the Queen's University team by a score of 11 to 6 in the first intercollegiate match of the season at Varsity oval on Saturday. The weather was miserable for football, and the crowd numbered only about two thousand.

QUEEN'S PROTESTS GAME.

Ottawa, Oct. 18.—Queen's have protested Saturday's game. They allege ignorance of the rules on the part of Referee Fulford and Foran.

It was "slap-dash" football from start to finish, but Ottawa deserved to win, as they held the Queen's line time and again, and broke through on the visitors at will. But for the good punting of the Queen's backs and the condition of the ground, which made effective tackling impossible, the Ottawa Collegians would probably have vanquished their opponents by a larger score. Pete Conway, the college player who was injured in the McGill game at Montreal last week, went into the match on Saturday against the doctors' orders, and came out of it in an ambulance. Conway, who took desperate chances in tackling, flung himself at the runner on the Queen's line. He missed the runner and crashed into the goal post. Conway was for the second time within a week knocked cold. He was carried off the field, attended by Dr. Chabot, and then taken to the War Street Hospital in an ambulance. Conway's head was badly cut, and it was feared he would develop concussion of the brain going. To-day he is doing nicely, but he will be laid up for a week, and will probably be out of the game for the season.

The teams were:
Ottawa College—P. Conway, full back; W. Chabot and Conway, halves; Muzzanti, quarter; Fleming, Loftus and Dubois, scrummage; Sullivan, White, Quilty, Smith, Belanger and Gilligan, wings.

Queen's—Campbell, full back; Dickson, Leckie and Orran, halves; Moxley, quarter; Clarke, Overend and Consella, scrummage; Gallagher, McLeish, Erskine, McKay, Elliott and Smith, wings.

DUNDAS 36, ARGOS 0.

Dundas, Oct. 18.—The Argos arrived on the grounds here on Saturday in a heavy downpour of sleet and rain, which delayed the game. Shortly after the start of the game Dinkley, of the Argos, kicked a drop goal, which was not converted. Smith also fell on the ball for a try in the second quarter, making the half-time score, Dundas 14, Argos 0.

In the last half Dundas outplayed the Argos and kept rolling up a big score, which stood at the finish: Dundas 36, Argos 0.

PETERBOROUGH WAS DEFEATED.

Peterborough, Oct. 18.—The Parkdale Canoe Club journeyed to Peterborough on Saturday and defeated the local team by the score of 31 to 1. This was the second game in the senior O. R. F. U. C. A. C. last Saturday. Peterborough scored the first point two minutes after play started, and for a while it looked as though they were going to win out. The arduous task gradually wore up, however, and in the latter stages of the game they had it all their own way. The half-time score was Parkdale 11, Peterborough 1. The teams were:

Peterborough—Full-back, Craig; halves, Cahill, Quinn, Corkery; quarter, Campbell; scrummage, Eastwood, Clarke, Thornton; wings, Dickson, Hick, O'Connor, Davidson, Lundy, Hall.

Parkdale Canoe Club—Full-back, Baillie; halves, Cromar, Beddoe, Meagher; quarter, J. Disette; scrummage, Leonard, Addison, Duncan; wings, Durand, Adams, Harper, Crawford, Brockbank, A. Disette.

Referee—Dr. A. W. McPherson, Peterborough. Umpire—Dr. Brown, Toronto.

THE MINTO CUP HOLDERS TAKE CASH PRIZE.

Game Between New Westminster and Vancouver Ended in Fight.

Vancouver, B. C., Oct. 18.—New Westminster defeated Vancouver at Victoria on Saturday by the score of 7 to 3, after one of the toughest matches of the season. As the result of Saturday's victory New Westminster will down a \$1,200 cash prize, having scored a total of fourteen goals against seven in two matches. One of the most disgraceful scores ever enacted on a lacrosse field marked the match and resulted in a free-for-all fight in the last few minutes of the game. All through the match the players were slugger one another, and delays were numerous as a result of the injuries to the men on both sides.

Vancouver gave up the fight shortly after the commencement of the last quarter of the game, and the match developed into a slugger bee. Shortly before time was called McConahey, captain of New Westminster, started a fight hitting one another over the head with their sticks. Other players jumped in and for fully five minutes the players were slugger one another, several being badly cut about the face, while two were knocked out. The police made an effort to stop the fracas, but without success. The spectators jumped over the fence, and the melee continued for some time before order was finally restored. Play was then resumed, but no further scoring resulted. Eight men were ruled off when the fight started.

Vancouver was outplayed in the last two quarters of the game. The New Westminster team played brilliantly. Up to that time the play was very even. McConahey and Welch, who refereed the first match, declined to referee Saturday owing to trouble on Thursday, and Hallett and Latham were substituted. They failed to hold the teams under control, and rough play followed. The teams:

New Westminster—Grey, goal; T. Gifford, point; Marshall, cover; J. Gifford, G. Renne, W. Turnbull, defence; T. Renne, centre; Winstone, Feeney, C. Spring, home; L. Turnbull, outside; G. Spring, inside.

Vancouver—Gibbons, goal; McConahey, point; W. Matheson, cover; Clarkson, Goddard, O. Matheson, defence; Longshaw, centre; Hennessy, Allan, Murray, home; Rayner, outside; Adamson, inside.

In tackling Moore Corryell injured himself so badly that he had to be carried from the field. Beyeroff was put on in the scrummage, and Pud Kent went to quarter.
