

AN INVITATION TO SLEEP.

BY T. W. WILKINS.
I have told me in the dreamy hour,
O sleep!
Outraged to see the dream-land's charms,
And from me all the night's charms...

VARIETIES.

Money, like beauty, is greatly disparaged and eagerly sought, while poverty is highly prized and carefully avoided.
"Only learned men," says Lord Bacon "love business, as an action according to nature, as agreeable to health of mind, as exercise is to health of body, taking pleasure in the action itself, and not in the purchase; so that of all men they are the most indefatigable, if it be towards any business which can hold or detain their mind."

A MOST ASTONISHING CURE OF SCROFULOUS ULCERS—A CASE CERTIFIED BY THE MAYOR OF BOSTON.

Copy of a Letter from J. Noble, Esq., Mayor of Boston, Lincolnshire.

To Professor HOLLOWAY.

Dear Sir,—Mrs. Sarah Dixon, of Liverpool Street, Boston, has this day deposited before me that for a considerable period she was severely afflicted with Scrofulous Sores and Ulcers in her arms, feet, legs, and other parts of her body; and although the first of medical advice was obtained, at the cost of a large sum of money, she obtained no abatement of suffering, but gradually grew worse.

Being recommended by a friend to try your Ointment, she procured a small pot, and a box of the Pills, and before that was all used, a permanent amendment appeared. By persevering with the medicine for a short time longer, according to the directions, and strictly adhering to your rules, as to diet, &c., she was perfectly cured, and now enjoys the best of health.

I remain, Dear Sir, yours truly, (Signed) J. NOBLE.

AN EXTRAORDINARY AND RAPID CURE OF ERYSIPELAS IN THE LEG, AFTER MEDICAL AID HAD FAILED.

Copy of a Letter from Mrs. Elizabeth Yeates, of the Post Office, Aldwick Road, near Bognor.

To Professor HOLLOWAY.

Sir,—I suffered for a considerable period from a severe attack of Erysipelas, which at length settled in my leg, and resisted all medical treatment. My sufferings were very great, and I quite despaired of any permanent amendment, when I was advised to have recourse to your Ointment and Pills. I did so without delay, and am happy to say the result was eminently successful, as they effected a radical cure of my leg and restored me to the enjoyment of health. I shall ever speak with the utmost confidence of your medicines, and have recommended them to others in the neighborhood similarly afflicted, who derived equal benefit.

I am, Sir, your obliged and faithful Servant, (Signed) ELIZABETH YEATES.

A DREADFULLY DISEASED ANGLE AFTER BEING GIVEN UP BY THE FACULTY, AT MALTA AND PORTSMOUTH HOSPITALS.

The following important communication has been forwarded to Professor Holloway for publication, by Mr. E. Dixon, Chemist, King-st., Norwich.

Copy of a Letter from Captain Smith, of Great Yarmouth, dated January 19th, 1853.

To Mr. DIXON.

Dear Sir,—I send you the particulars of a cure effected by Professor Holloway's invaluable medicine,—Mr. John Walton, late in Her Majesty's Service, in the British Fleet at Malta, had a very bad ulcerated ankle, and after having been in the Malta Hospital for six months, was sent to England as an incurable case, but effected a radical cure by using your Ointment and Pills, which, by unremitted application, healed all the ulcers, and restored him to perfect health and strength.

I remain, Dear Sir, yours very truly, (Signed) JOHN SMITH.

SURPRISING CURE OF A BAD BRUISE, NERVOUS DEBILITY, AND GENERAL ILL HEALTH.

Copy of a Letter from Mr. T. F. Ker, Chemist, &c., Lower Mac-lane, Manchester, dated February 12th, 1853.

To Professor HOLLOWAY.

Dear Sir,—I have great pleasure in forwarding to you the particulars of a very extraordinary cure of a bad bruise, effected solely by the use of your celebrated Ointment and Pills. Mr. Martha Bell, of Pitt-street, in this town, had been for a considerable time laboring under nervous debility, loss of appetite, and general ill health, occasioned by ulcerated wounds in the breast. She had had much experience in the use of all the known remedies for the cure of ulcers, but without any beneficial result; in fact she had nearly lost all faith and hope of a cure being effected. In this distressing and painful condition of body and mind, she was persuaded to have recourse to your invaluable Ointment and Pills, which she immediately did, and in the course of a very short time the effect produced was most astonishing; her appetite was speedily improved, and the sores and ulcers in the breast gradually healed, and the nervous excitement of her system was wholly removed.

I remain dear Sir, yours faithfully, (Signed) T. FORSTER KER.

The Pills should be used conjointly with the Ointment in most of the following cases:

- Bad Legs Cancers Sore-throats
Bad Breasts Contracted and Stiff Rhinities
Burns Joints Scoury
Bunions Elephantiasis Scrofulous
Bite of Mosquitoes Firtulas Sore-nipples
Toes and Hand Gout Soft Corns
Piles Hemorrhoids Tumours
Chapped hands Scalds Ulcers
Chinche-foot Piles Wounds
Chilblains Rheumatism Yaws.
