A MIRACULOUS ESCAPE

Yesterday while Dr. Robt. Nicholon was making a visit to a patient in Douglastown, he had the misfor tune of falling over the bank in his automobile near Mr. William Williston's residence.

The Doctor was in the act of turn-ing his car, and in backing up, came so near the edge of the bank that the car tumbled over, making a complete somersault, falling a distance of about thirty feet. The hood of the car acted as a protection to the Doctor in the fall, otherwise more serious results would have occurred. The Doctor received injuries about the legs, side and face, but was able to attend to his patient after the accident and then was conveyed home by Mr. John Russell, who happened to be in that vicinity at the time.
