Canada, and not until thee, will they
make such a treaty as would be fair
to our people. The resolution before
the House, as he remarked before,
was intended to cut in two directions,
But it was harmless. Like Gulliver's
bladder fl. ppers it made a great noise
but hurt nobody. The poot says:

"The earth has bubbles as the ocean hath,
And these are of them"

His could compare the resolution
to nothing else but bubbles intended
for gullible people. I he people of
Canada are intelligent and they can
read and find out the true state

and would now like him to give us some information about the Darnley Bridge, which is in a part of the dishe (Mr. Arsenault) had the honor to represent. He saw by the report of the Commissioner of Public Works, that the rebuilding or repairs of that bridge cost \$1.429. Now by referring to the return of the Supervisor tor that district, he found the followto to the old bridge. He also defending amounts as being naid to no less ed the Government's action in not.

21 50 didedly fishy. The tender of Thomas Mellish was the lowest.

But instead of accepting his tender--instead of notifying him that

We see that tenders were offered did it leak out that Mellish's tenders were offered der was the lowest? The informance of that
