McDonald's MILL BURNED. - About is also seem to indicate that a stronger man for his special department could hardly have been selected.

The Seaforth Expositor says:—When we announced the illness of Mr. John Hugill last week we did not expect to be called upon so soon to announce his death. He passed peacefully away on Thursday night. Mr. Hugill was a native of Yorkshire, England. He came to this country in 1842 and settled on Dundas street, near Toronto, where be remained until 1853, when he removed to the Huron Tract and settled on the Huron Road in the township, of Tuckersmith, about four miles west of Seaforth. He continued to reside these until about two years ago when he purchased a residence in this town, retired from farming and came here to reside.

A local exchange has the following:—Walton is situated in the midst of a rich agricultural country, ten miles north of Seaforth. There have been many different reports as to its population. We think the village contains about 2,206 souls, including everything that contains the breath of life, such as bout 2,206 souls, including everything that contains the breath of life, such as the following that contains the breath of life, such as the following that contains the breath of life, such as the following that contains the breath of life, such as the following that contains the breath of life, such as the following that contains the breath of life, such as the following that contains the breath of life, such as the following that contains the breath of life, such as the following that contains the breath of life, such as the following that contains the breath of life, such as the following that contains the breath of life, such as the following that contains the breath of life, such as the following that contains the breath of life, such as the following that contains the breath of life, such as the following that contains the breath of life, such as the following that contains the breath of life, such as the following that contains the breath of life, such as the following that contains t
