MARSHALL BROTHERS.

Notes From Harbor Grace.

Cabbage plants are now on sale at \$1.05 per 100.

Mrs. J. Sheehan, lately of Norris' Arm, is in town, and her friends are pleased to meet her.

Miss Osmond, daughter of J. B. Osmond, of Moreton's Harbor, N. D. B. is in town on a visit to her uncle and aunt, Capt. and Mrs. Tucker.

Mrs. W. Power, of Bell Island, and three children having spent the past five weeks with Mrs. P.'s mother, Mrs. Hogan, left on Sunday last by the S. S. Louise for home.

So fine and spring-like is the weather that many people have some potatoes in. One man we heard of this morning has two barrels of early potatoes in the ground.

The Boer War and other pictures shown at the Picture Palace on Monday and last night attracted quite a large audience. It is strange what a fascination wars have, especially for the fair sex.

The comedy "Mr. Bobs," given by the friends of the High School on Tuesday night, in St. Paul's Hall, was very amusing and was largely patronized. The proceeds amounted to over \$100. This was very good indeed.

Capt. W. H. Tucker, of the Clementines, and his mate, Mr. John Tucker, are home spending a few days. The general captain by his pleasant disposition is sure to make his friends enjoy his visit and wish him a quick run and speedy return.

A large number of men returned from Sydney on Saturday last, some to prepare for their favourite calling—the fishery; others to visit home and be put on dock by sisters, mother's and wives before returning to Sydney for the season's work.

The members of the Agricultural Society are called together to-night by poster to decide what quantity of seed potatoes, etc., each person requires. In our humble opinion this should be a public meeting to give our citizens a chance to see what a broad-minded body our Agricultural Society is. The people who are not at present interested in agriculture are the people they should try to reach and assist or educate.

Annual Report of St. John's Rifle Club

The committee of the St. John's Rifle Club beg to report as follows on the work of the Club for the past year:

The season was a very successful one, especially as regards the shooting, which shows a higher average than any previous year. A general improvement being made all along the line. Many of our younger shots advanced ten points over the previous year's shooting. This is matter for congratulation, and the splendid shooting of Mr. J. F. Murphy is worthy of special mention. It sets a high standard and has created increased interest in rifle shooting in Newfoundland, and will spur on many promising younger shots to emulate Mr. Murphy's fine scoring.

The season opened on May 22nd, with the Empire Day shoot, and closed on September 1st, with an all-day shoot. Owing to lack of practice, the scoring on Empire Day was not up to our usual standard, but as the season advanced the shooting gradually improved, and culminated at Mr. Murphy's 99 at 800, 900 and 1,000 yards, and 102 at 200, 500 and 1,000 yards.

On July 3rd a match against a team from H.M.S. Brilliant took place, resulting in a win for the home team by 13 points. It is worthy of mention that in this match three of our junior members took part.

The marking during the season was most satisfactory, as was also the maintenance of the targets. Our marker, Mr. A. Rice, gave general satisfaction, and added to the enjoyment of the season's shooting.

The number of subscribers for the past year was 50, and it is a matter for general regret that we have not a much larger membership. With the present limited number of members it is very difficult to make ends meet, and it is sincerely hoped that this season will witness a large influx of new members. Your committee are hopeful in this regard, as the new range will be much more attractive and more easily reached than the old one at Nagle's Hill.

As regards the new range, your committee are pleased to report that there is every prospect of having it ready early in May. Work on the range was continued on March 19th, and rapid progress is being made. The mantlet or target pit is almost completed, and three sets of Jeffries "Wimbledon" frames and targets have been ordered and will arrive at an early date. These targets will accommodate squads of nine men, and it is anticipated that matches will not take half the time necessary at our old range. Thus we will have room for a much larger number of riflemen than heretofore. The expenditure to date is about \$900.00.

The annual dinner was held on November 25th, at Smithville, and was most enjoyable. His Excellency the Governor was present and promised the Club his hearty support.

A letter has recently been received from Mr. T. S. Poole, of Grand Falls, stating that a rifle club is being formed at that place. Your committee suggested to Mr. Poole that the Grand Falls Rifle Club affiliate with the St. John's Rifle Club, and that in this much to be desired event, a Newfoundland Rifle Association be

formed with headquarters at St. John's, and the formation of other Rifle Clubs throughout the Island be encouraged. To render this scheme practicable, Government help is necessary, and your committee recommend that the committee for the ensuing season petition the Government for maintenance and equipment grants for Rifle Clubs throughout the Island on lines similar to those adopted in other British colonies.

It is with sincere regret that we have to record the death of our late Captain, Mr. T. A. Lawrence, which sad event occurred in November last. We cannot forget the debt this Club owes to our late Captain, who did so much for its advancement, and it is proposed that a resolution of condolence be passed by this meeting and forwarded to his relatives.

All which is respectfully submitted.
R. G. RENDELL, President.
J. W. MORRIS, Captain.
W. H. RENNIE, Secretary.
St. John's, Nfld., April 6, '10.

Judgment Suspended.

Referring to our police court news of yesterday, Wm. O'Brien, P. H. Inspector vs. two farmers of Waterford Bridge Road, both defendants were convicted, judgment suspended. The judge remarked the amount of fine which would be imposed would depend on the conditions of the premises at the time of the Inspector's next visit, the nuisance complained of must be abated to the satisfaction of the health inspector who shall report to the judge. Mr. F. J. Morris, K. C., who appeared for the defendants, apologized to the Inspector for the good work he is doing in this direction.

The Rifle Club.

The Committee of the St. John's Rifle Club met last night in the Secretary's Office, when the programme for the season's events was arranged and other work completed. Work on the new rifle range is being pushed rapidly to completion, and by the 15th prox. it will be ready for the members to practice. A number of new members will join the club this year.

Pianos and Organs. Intending purchasers would do well to call and see our Stock before buying. Terms and prices to suit. CHEBSELY WOODS, The White Piano & Organ Store.—Mar 28, 11.

FIELD-SPENCER ASSOCIATION—The Field-Spencer Association meets this evening at 8.30 at Field College. A full attendance is requested.

makes delicious bouillon, rich, tasty gravy, adds flavour and strength to stews, hashes, entrees, etc.
BOVRIL is the true economist in the kitchen.

The Guards' Sociable.

The sociable given by the Methodist Guards in the Methodist College Hall last night was a very enjoyable affair and attracted a large gathering of people. The musical portion of the programme was excellent, and the band of the Guards sustained the reputation they possess as being one of the best musical corps in the city. Such selections as "Il Miserere," "Austrian Eagle" and the "Coronation March" were brilliantly executed, and the local selections given were of a high order and were heartily applauded by the audience. Miss Elsie Herder's sweet voice was heard in a pretty ballad, and Mr. King discoursed the Toreador's Song, from Carmen, singing the "Cafe of Kilkenny" as an encore. Mr. Courtenay rendered Thora. Mr. H. V. Tuff gave the "Sergeant of the Guard," and as an encore "Guardians of England." Teas were then served and were thoroughly enjoyed, while the band gave several selections.

With the C.C.C.

At their Armoury last night the C. C. C. held their annual inter-company competition in presence of a large number of admirers including the Clergy and Christian Brothers. There was great enthusiasm and applause during the evolutions. The judges of the competition were Inspector-General Sullivan and Lieut-Col. Greene. The results will be made known next week. The companies drilled in the following order:—D. Co., St. Patrick's Schools, by Capt. Donnelly; B. Co., by Capt. O'Brien; C. Co., by Lieut. Summers; A. Co., by Adjt. Keat; E. Co., by Capt. Vaughan.

McMurdo's Store News

FRIDAY, April 29.
What about Talcum Powder? It depends on what you want to use it for. Different brands suit different purposes. You can see at our stores the most varied display of Talcum Powders in town, all the standard kinds. We can give you tips in Talcum.

That sponge of yours is becoming worn out, and gets slimy after so little use that it is about time you got a new one. Then try a Featheredge Rubber Sponge this time. The reason will be clear when we tell you that the Featheredge wears much longer than the natural article, never becomes slimy, is absolutely sanitary and germ-free, and at 45c., 70c. and 90c. is cheaper than sponge.

There will be a meeting of the Mac Currier Club to-night, Friday, at 8 o'clock in the Curling Rink. All the Mac Curriers are requested to be present. W. T. SHIRAN, Sec.-Treas. April 29, 11.

Train Hand Replies.

Editor Evening Telegram
Dear Mr. Editor,—In your issue of the 23rd inst., appears a complaint from Fox Harbour which is untruthful and misleading, and as your correspondent is desirous of getting "a square deal" from the railway officials, it would be only fair for him to give them the same. The parcels which he says the train hands forgot to put off are, as a general rule, consigned to Placentia through some misunderstanding between shipper and consignee. The parcels consigned to Villa Marie and overcarried to Placentia are few and far between, and I challenge "Sufferer" to state over his own signature, one case where an overcarried parcel cost him one cent extra. If he can do this I can assure him the official who collected the extra charges will find himself in a very uncomfortable position.

Yours truly,
"TRAIN HAND,"
Placentia Branch, April 26th, 1910.

Found Dead in Bed.

By last night's shore train we learn of a sad affair which occurred at Upper Gullies yesterday. Mr. Charles Ledrew, brother of the late Abraham Ledrew, of Kelligrews, has been living alone for several years past in a little house in the Gullies and had been unwell for some little time past. Yesterday, however, Rev. Mr. Nurse, the Methodist clergyman at Top-sail, went up to visit the man, and entering his humble domicile was appalled to find the poor old man lying dead on his bed. They clergyman reported the occurrence to Mr. Furneaux, J. P., who looked after the remains, and will see to their interment. The man had not been seen about for two days, and it is believed that he was dead for that length of time when discovered. Deceased lived for many years in St. John's, was well known here, and was 65 years old. His family are residing in the states.

The Odd Fellows' Banquet at Grand Falls

Editor Evening Telegram.
Dear Sir,—Kindly allow me space in your columns to give a description of the banquet held by the Oddfellows of Exploits Lodge, No. 2, at Grand Falls, April 28th.

Exploits Lodge was organized in September, 1909, and although it has been working but seven months yet the work accomplished is indeed a credit to its members. Working under disadvantages owing to the want of a hall, yet there are now fifty members on the roll, and there is every reason to hope that its numbers will speedily increase, for we have the good citizens here who will make good Oddfellows.

In the absence of George E. White, Noble Grand, R. W. Stone, Vice-Grand, took upon himself the direction of affairs and was assisted by a committee to carry the mout.

The Rev. J. Whittle Chaplin, gave an eloquent address on the subject of Oddfellowship to the brethren and guests amounting to about 60. The lecture was thoroughly appreciated and many thanks are due the chaplin for his time and trouble in preparing such.

After the lecture the brethren and guests retired to the banqueting hall where a splendid repast was indulged in the chaplain acting as toast master. The following is the toast list:—
"The King"—prop. Bro. Chaplin; rep. Singing of the National Anthem by the guests.

"Sov. Grand Lodge"—prop. Bro. R. W. Stone; resp. Bro. J. Berwick.
"Exploits Lodge"—prop. Bro. A. Porter, Past Grand; resp. Bro. Oliver Smith, Outside Guardian.

"Sister Lodges"—prop. Bro. Secretary G. Hicks; resp. Bro. H. Wither.
"Absent Brothers"—prop. Bro. R. E. Porter, Treasurer; resp. Bro. G. Sheppard, Warden.

"Our Guests"—prop. Bro. W. Cripps, Conductor; resp. by a great many of the guests, namely:—Messrs. Willett, Cooper, Lake, Marshall, Frew, Dorrity, Hughes.

This being the celebration of the 51st Anniversary of the Sovereign Grand Lodge, we have every reason to believe that all present enjoyed themselves immensely, and we hope a similar event will be the result in 1911.

Thanking you for space, Mr. Editor, I am, yours,
COR.

Young Man Killed at Dominion No. 2.

GLACE BAY, April 22.—This evening about six o'clock a young man named Fielding DeMingues who had been employed as a special policeman and gate keeper by the Dominion Coal Company, attempted to board a coal train in motion at Dominion No. 2 but, falling to catch hold, fell and was run over by the cars. Death was instantaneous. An inquest was held last night and a verdict returned in accordance with the facts.

BREGADES BEING PHOTOED.

The city brigades with their bands met in their respective armories at 2 p.m. to-day and proceeded to St. George's Field where they were photographed for moving picture views for the Festival of Empire.

NOTICE.

SUNLIGHT SOAP, of which the reputation is world-wide, can be obtained at all respectable Grocers throughout Newfoundland. This reputation has been built up during upwards of 25 years and is based on solid fact.

The public are therefore cautioned against attempts being made by unscrupulous dealers to substitute inferior soaps under the pretence that they are "just as good as" or "equal to" SUNLIGHT SOAP.

THE PURITY OF EVERY TABLET OF SUNLIGHT SOAP IS GUARANTEED TO THE EXTENT OF \$5000.

Mr. Myrick Out.

A deputation of citizens waited on Undertaker Myrick at his residence, Military Road, last night and requested that he allow himself to be put in nomination as a candidate for the City Council. The deputation included citizens from every quarter of the town. Mr. Myrick was pleased to receive them and extended a hearty welcome. A requisition numerously signed was read and fully considered. In an appropriate speech Mr. Myrick thanked the deputation and the citizens whose names were appended to the address for the great honor conferred on him. After giving the matter careful consideration he decided to accede to the request of those who called him out. If successful at the poll he would give his best attention to all matters pertaining to the welfare of the city. The deputation then formed themselves into a committee with power to add to their numbers. They will canvass the city thoroughly, beginning on Monday evening next. Mr. Myrick's address to the taxpayers will appear in the papers next week.

The Neptune at Catalina

The S. S. Neptune, Capt. Alpheus Barbour, which passed Cape Bonavista at 10.30 a.m. yesterday, arrived at Catalina yesterday shortly after-noon. Messrs. Job Bros. had a message from Capt. Barbour stating that the ship had 8,000 seals, the greater portion of which are old, and reported the weight of 17,000 prime young harps. The ship met with a mishap this spring and her main shaft cracked and she had to be carefully nursed along to Catalina, which port she entered while a S. E. gale raged. Last year the Neptune arrived here on Sunday, May 2nd, and was towed in by the Newfoundland with a broken shaft.

General French's Tour

Ottawa, April 25.—General Sir John French, who is coming out to inspect the Canadian militia, is to arrive at Quebec on May 26. The Militia Department is now arranging his itinerary.
He will first go to Toronto and Hamilton, and then come to Ottawa. The larger military camps will be visited. Sir John's visit will extend over a period of about six weeks, and he will visit all the provinces.
