IRGENT APPEAL

The G.W.V.A., finding that the number of billets offered by citizens and veterans in the city is by no means adequate to house the number of returned men who will arrive on Saturday, June 28th, confidently appeals to the public for assistance in this direction. Realizing that it is impossible for many private families to billet men, we would point out that we are able to place men in boarding houses at \$1.50 per day, and that you can render splendid service by guaranteeing to bear the cost of one or more men.

If you could help in this way it would be greatly appreciated if you would notify the G.W.V.A. by 5
