THE ABYSSINIAN EXPEDITION.

The most recent information from Abyssinia represents that Gen. Napier was about to make a sudden dash upon the forces of King Theodoros, near Magdala, where the prisoners are confined.

BREACH OF COPYRIGHT.

We give below the substance of the decree finally pronounced by the Court of Chancery, in the important case of Wiman vs. Bradstreet.

Maximilian's misfortunes, it appears, did not end with his death at Queretaro.

His remains were put in a coffin that was too small, and the Emperor of Austria ordered a magnificent wreath from a celebrated house in Paris, which he intended to have laid himself on his brother's coffin.

ALLEN'S LUNG BALSAM!

THE REMEDY FOR CURING Consumption, Coughs, Bronchitis, Asthma, Croup, Diseases of the Throat, Pains and Oppression of the Chest or Lungs, Difficult Breathing, and all the Diseases of the Pulmonary Organs.

THIS Balsam is introduced to the suffering public after its merits for the positive cure of such Diseases have been fully tested. The formula from which it is prepared is referred to by the leading medical journals as being equal to any prescription that can be made up for such diseases by the medical faculty. The Balsam is, consequently, recommended by physicians who have become acquainted with its great success.

As an Expectorant it has no Equal. It is composed of the active principles of Root and Plants, which are chemically extracted, so as to retain all their medicinal qualities.

Ministers and Public Speakers, who are so often afflicted with Throat Diseases, will find a sure remedy in this BALSAM. Lozenges and Wafers sometimes give relief, but this BALSAM, taken a few times, will insure a permanent cure. Will the afflicted clergymen please test its merits?

TESTIMONIALS OF PHYSICIANS. Dr. Nathaniel Harris, for many years a resident of Middlebury, Vermont, recommends the Balsam as being superior to all other remedies for Bronchitis. He says—"I have no doubt it will soon become a classical remedial agent for the cure of all diseases of the Throat, Bronchial Tubes and the Lungs."

Dr. Lloyd of Ohio, surgeon in the army during the war, from exposure contracted consumption. He says—"I have no hesitancy in stating that it was by the use of your Lung Balsam that I am now alive and enjoying health."

Dr. Fletcher, of Missouri, says—"I recommend your Balsam in preference to any other medicine for Coughs, and it gives satisfaction."

DR. A. L. SCOVILL, who has for many years been known to the public throughout the United States as the inventor of remedies for the Lungs, recommends ALLEN'S LUNG BALSAM as surpassing anything that has ever been offered to the public for the cure of Lung Diseases. He has used it in his own family with great success in the case of his sister, who was supposed to be in the last stages of consumption. This lady is now well, and has been permanently cured by ALLEN'S LUNG BALSAM.

Physicians who have failed to cure their patients should try this medicine before they give the case up, as we know very many valuable lives have been saved by being persuaded to give it a trial.

DON'T DESPAIR because all other remedies have failed, but try this remedy, and you will not be deceived. SOLD BY ALL DRUGGISTS.

PERRY DAVIS & SON, Montreal, General Agents for the Dominion of Canada. Sold in Guelph by N. HIGGINBOTHAM and A. B. PETRIE.
