We sarry cheap lumber suitable for some purposes, but the kind you want in voor new house we make a specialty of inquire about out hardwood flooring. It costs you little more than fir and it adds greatly to the value of your house. We store our high grades in completely enclosed warehouses which give protection from dust, rain and sun. Our purchases are of such magnitude that we can demand the best of lumber for the least money. Our customers get the benefit! Inspection of any one of our thirty-six yards will satisfy you as to this. Two yards in Calgary.
