A BRIDGE DISPUTE.

LEAVING FOR ROME

Grant's word for it, that in dealing

A man named Francis Meyers, 80 years of age, and apparently very feeble called on Inspector McCallum at the city hall on Saturday afternoon and asked for an order for admission to the hospital. with the people of West London, when arranging prices to be paid for land,

When questioned by the inspector, that we were very easy to do business the old man professed to be suffering from a loss of memory. He could recollect having worked for several only in one instance did he think that weeks for a farmer, husking corn, but he could not say whether it was in Middlesex or some other county, whether it was in had a reason for making things look ther it was east or west of the city, as bad as he could for West London.

nor could he tell the name of the near- I would like to ask if Mr. Graydon est village or town.

est village or town.

The inspector thought the old man was "foxing" and he refused him admission to the hospital. Then Myers mission to the hospital. Then Myers charged up to breakwater account, the wanted to be committed to the county jail—another request that could not be Now sir, before I close, allow me, on behalf of West London, to thank the

Half an hour after Myers left the city hall a citizen called at the inspector's office and asked if an old man had applied for a pass to the hospital. To the notion of the inspector, this did not show much of a loss of memory on the part of the old man. Later painted by Mr. Graydon, I am. yours ory on the part of Myers was very truly, F. A. JONES. in the day the case of Myers was brought to the notice of the police

lief officer, and had an admission ticket to the hospital granted him. Myers was without friends, and it posed to the cold weather such as has been experienced during the past few

Letters to the Editor.

THE BREAKWATER CONTRO VERSY.

I must apologize for again taking up Council at Putnam today, to decide who space in your valuable paper, but as the residents of West London imposed the duty on me of looking after their interest in the matter of building the breakwater, I think that as a resident of West London, and also a lover of days ago was evicted from her home fair play I should not allow the false on Simcoe street east for arrears of statements made by Engineer Graydon to pass unchallenged. First, I would like to correct the

statement that the city has paid West are to be taken into the Protestant Londoners \$5,600 for land to build the breakwater on. The city has not done of the trio. any such thing. Now, Mr. Editor, we must go back to last year. Engineer Jenning; was brought from Toronto to William and Alex. McKay's meat tell us the best way to build the ety met on Saturday evening and denop in the village of Brigden, county breakwater. He recommended the prescribed to celebrate St. Andrew's Day, I Lambton. ent structure, and Engineer Graydon very warmly indorsed Engineer Jennings plan, and he brought in plans and specifications to show that it could be done for \$15,000. Commissioner Grant was instructed to well a the ladies will be invited. Another meeting will be held in a few days to settle the matter. Grant was instructed to value the land said breakwater on, and the value was Inspector Sanders will prosecute the Graydon's plans there was \$4,000 set aside for land, and about \$3,000 for filling, as it was his intention to buy high land somewhere and use it to make the embankment with. Mr. Graydon was weak and thin from neglect that it was told at the meeting of the breakwater unable to stand. The owner of the horse Mrs. J. Morris' house and lot in the that the \$15,000 estimate of his was not to be a junk dealer named James key of Petrolea, county of Lambton, that the \$15,000 estimate of his was not enough. enough. Graydon thought it was, and it was county.

according to his plans. But as Bobby THE PLAINTIFFS WON. Burns said, "the best laid plans of mice and men gang aft aglee." So, with Graydon's plans and specifications. They all went astray. One instance of was the culvert on Mount Pleasant has just cost \$806, which, by right, ould not have been taken out of the \$500 each given at various times by \$15,000 for two reasons. First, it is not part of the breakwater; second, that Stratford. Held, that without the inwas ready to be put down as soon as the frost was out of the ground in the iffs to sue as trustees of Welsh, in the ground in the iffs to sue as trustees of Welsh, in the ground in the iffs to sue as trustees of Welsh, in the ground in the iffs to sue as trustees of Welsh, in the ground in the iffs to sue as trustees of Welsh, in the ground in the iffs to sue as trustees of Welsh, in the ground in the iffs to sue as trustees of Welsh, in the ground in the iffs to sue as trustees of Welsh, in the ground in the iffs to sue as trustees of Welsh, in the ground in the iffs to sue as trustees of Welsh, in the ground in the iffs to sue as trustees of Welsh, in the ground in the infinite was trusteen the ground in the infinite was trusteen to the ground in the ground in the infinite was trusteen to the ground in the ground i Graydon's report on the requisition of drawn. Judgment entered for amount am sorry that I have not the plans that DEATH OF MR. F. BAKER.
