DOCTOR'S PRESCRIPTION TO CURE ECZEMA

The most advanced physicians of this country and Europe are now prescribing a wash of Wintergreen, thymol, and other soothing and healing ingredients for the cure of Eczema, Psoriasis and all other forms of skin trouble. This compound is known as the D. D. D. Prescription. Dr. Holmes, the well known skin specialist, writes: "I am convinced that the D. D. D. Prescription is as much a specific for Eczema as is quinine for malaria. I have been prescribing the D. D. D. remedy for years." We ourselves vouch for the D. D. D. Prescription for Eczema and absolutely know that it will take away the itch the instant you apply it. Drop into our store and get posted on this wonderful remedy for Eczema and all other skin trouble. Or write the D. D. D. Laboratories, Dept. 20, D. 49 Colborne St., Toronto, for their free sample bottles. They will be glad to send it immediately. A. McG. McDonald, Druggist, Campbellton.

Mr. Fearon, Principal of the School for the Deaf at Halifax, would be grateful to any persons who would let him know the names and addresses of the parents of any deaf children who may reside in their neighbourhood. There are throughout the Maritime Provinces many children, not totally deaf, but yet so hard of hearing that they cannot take due advantage of the instruction offered in the ordinary hearing school. Such children should be sent to the school in Halifax where their speech as well as their hearing would receive the most careful attention and be improved. This school offers free board and education to all deaf children and in the Maritime Provinces, the parents being only called upon to provide clothing and pay the travelling expenses.

CONFIDENCE

We Back up Our State agents with Our Personal Reputations and Money.

We are so positive that we can relieve constipation, no matter how chronic it may be, that we offer to furnish the medicine free of all cost if we fail.

We think that it is worse than useless to attempt to cure constipation with cathartic drugs. Cathartics may do much harm. They may cause a reaction, irritate and weaken the bowels, and make constipation more chronic.

Constipation is often accompanied and may be caused by weakness of the nerves and muscles of the large intestine or colon. To expect a cure you must therefore tone up and strengthen these parts and restore them to healthier activity. The discovery of the active principle of our remedy involved the labor of skillful research chemists. This remedy produces results such as are expected from the best of the best known intestinal tonics, and it is particularly prompt in its result.

We want you to try Rexall's Ointment on your gums. They are exceedingly pleasant to take and are ideal for children. They apparently act directly on the nerves and muscles of the bowels, having, it would seem, a neutral action on other organs of the body. They do not purge or cause inconvenience. If they do not positively cure your chronic or habitual constipation, then relieve the suffering of someone or dependent chronic ailment your money will be refunded. Try Rexall's Ointment at our risk. Three sizes of packages, 10c., 25c., and 50c. Remember, you can obtain Rexall's Remedies in this community only at Rexall's. The Rexall Store, Campbellton.
