

LIVER LAZINESS

Those Who Lack Energy
and are Unsuccessful
Should Read This Closely.

"I am only thirty years old, yet for almost two years I have felt more like seventy-five. I have found it difficult to sleep at night and in the morning feel so depressed and heavy that effort was difficult. My hands were always clammy and perspiration on slight effort would break out all over me. It was not unnatural that I should begin to brood over the chance that I should soon be unfit to do my work, and this dread made my sleepless nights perfect misery. After repeated trials of medicine and mixtures Dr. Hamilton's Pills gave me the first gleam of hope. From the very first I could see they were different in action from other pills. They didn't gripe and acted as naturally as if nature and not the pills were cleansing my clogged up system. My spirits rose, I felt much better, the sluggish action of the system gave way to normal activity. Dizziness and headaches ceased, appetite, good color and ambition to work returned and have remained. I am like a new man and I thank Dr. Hamilton's Pills for it all."

This was the experience of J. E. Parkhurst, a well-known grocery dealer in Jefferson. Follow his advice, use Dr. Hamilton's Pills for your stomach, kidneys, and liver, and you'll enjoy long life and robust good health. All dealers sell Dr. Hamilton's Pills in yellow boxes. 25c. per box, from The Catarrhone Co., Kingston, Ont.

Would Join Dominion.

According to cables, newspapers and private letters received during the past few days, the Bahama Islands, a part of Britain's possessions in the West Indies, are anxious to become a part of the Dominion of Canada, and a large delegation of politicians and prominent men will shortly leave Nassau to officially place the views of the Islanders before the Governor-General at Ottawa. Canadians who know the Bahamas say that the islands would prove a most agreeable acquisition to Canada's family. Mr. T. B. Macaulay, of Montreal, who has spent many winters at Nassau, describes them as the "future Florida of Canada." He also declares that there are fine business opportunities offering and that Canadians who have invested money there up to the present have been more than successful.

Paris and Poor Children.

Paris sends its children to school and supplies the poor ones with clothing, shoes, and food, as well as with free books, slates, stationery, and instruments. And it arranges that no child shall know which of the others are charity pupils. It sends poor children on summer outings. It builds houses and rents them at low rates, giving preference to the poorest and largest families. It taxes every theatre ticket ten per cent. for a public fund which furnishes every year fifteen thousand free beds in hospitals and as many more in asylums. This fund has also built a maternity hospital, where no questions are asked. It helps to bring up thousands of poor children. It furnishes free medicine for the sick poor. It collects a per diem from the employer for a workman who receives injury in the discharge of his duties. It spends ten million dollars yearly for benevolence.

Golden Wedding.

Mr. and Mrs. Alex. McDougall of Sarnia, formerly of Bantaskill township celebrated their golden wedding on Wednesday, March 15th. The noteworthy event was honored by the gathering of the immediate relatives, children, grandchildren and great grandchildren at the home of Mr. and Mrs. McDougall, who were the recipients of congratulations from many friends and were presented with a purse of gold. Mr. and Mrs. McDougall were born in Lanark county, Ontario, and were married in the town of Carleton Place in 1861. The family consisted of three sons and two daughters, all of whom are living, with the exception of the eldest daughter, Mary (Mrs. Duncan), who died in 1898. The other members of the family are: D. McDougall of the old homestead; N. McDougall, school inspector of East Lambton; Alex., of Sarnia, and Mrs. Jas. Duncan of Osborne.

Beware of Ointments for Catarrh that Contain Mercury.

as mercury will surely destroy the sense of smell and completely derange the whole system when entering it through the mucous surfaces. Such articles should never be used except on prescriptions from reputable physicians, as the damage they will do is ten-fold to the good you possibly derive from them. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, O., contains no mercury, and is taken internally, acting directly upon the blood, and mucous surfaces of the system. In buying Hall's Catarrh Cure be sure you get the genuine. It is taken internally and made in Toledo, Ohio, by F. J. Cheney & Co. Testimonials free. Sold by Druggists. Price, 75c. per bottle. Take Hall's Family Pills for constipation.

Ontario's smallest school.—To Miss Adele Ewen, of Fergus, last fall a student at Durham Model School falls the distinction of teaching the smallest school in the province—only 3 pupils. Col. Craig, M.P.P., School Inspector for South Wellington, thus refers to it: "I deplore the depreciation of the rural population of Wellington County. Pilkington has some of the best land in Ontario, and No. 1 Pilkington has a good school building and good equipment with a splendid teacher. Yet in the 5,208 acres which constitute that school section there are but three children of a school age. That there are so many old bachelors is deplorable."

Washington society women are discarding the corset for their well social affairs. Women's revolt against the straight jacket to which she has been sentenced without a trial, by the edict of fashion, is coming slowly; but we may look for it with well-founded assurance if she can convince herself that she is better looking that way.
"Where can I get some of Holloway's Corn Cure? I was entirely cured of my corns by this remedy and I wish some more of it for my friends." So writes Mr. J. W. Brown, Chicago.

50c. Bottle FREE

—because Psychine (Si-Keen) is its own best advertisement. Read this offer:

You know the "know-it-alls." Suspicious of everybody and everything. They promised well at one time in their career, then they seemed to come to a full stop.

Just because of that unhappy distrust, that suspicion that won for them the same attitude in return, that made every one distrust and dislike them. Now you're not a "know-it-all." Only about one per cent. of the people are.

We feel sure that you have an open receptive mind—one that is anxious to learn more, to advance.

And to you we say that you owe it to your own best judgment to try Psychine.

Psychine—the scavengers of the body, devouring every germ of disease that gains entrance to the body.

A third of a century ago, Psychine was compounded of certain herbs.

Since that time it has cured hundreds of thousands.

And all because it contained those herbs that science now knows build up and strengthen the "white corpuscles of the blood—the Phagocytes."

If you have any of these ailments don't be a "know-it-all," it won't pay you.

GOOD DIGESTION SHOULD WAIT ON APPETITE.—To have the stomach well is to have the nervous system well. Very delicate are the digestive organs. In some so sensitive are they that atmospheric changes affect them. When they become disarranged no better medicine is procurable than Parmelee's Vegetable Pills. They will assist the digestion so that the hearty eater will suffer no inconvenience and will derive all the benefits of his food.

FROST FENCE

This fence is made in Canada entirely of Canadian products. All the wires are full size true to gauge. Laterals and uprights are all No. 9 Hard Steel, well galvanized stock. Laterals are given a deep and continuous wave for "give and take." These coils or waves serve like a spring keeping the fence tight throughout all seasons and under all conditions. It is used by the principal farmers everywhere. The cost to you is no more than the price of other fence of equal weight. Insist on getting it.
