THE BAINT ANDREWS STANDARD

New=Brunswick, HOUSE OF ASSEMBLY! EXTRACTS FROM TES JUURNALS."

February G. han J. Wetmore, Deputy Treasurer at St. George, juste found of service, being less torth, that the compression of ten per can. Jame. Collde is entitled to the sum of wen-

and handed the same in at the Clerk's Table, where it was again read, and is as follows:-- the Com-mittee on that part of His Excel-By His Exclency Mojor General So John Horrey. K. C. B. and K. C. H. Leatenant Governor and Commander in Chief of the Province of New-Brunswick, See Sec. lency's Speech which recommends JOHN HARVEY a bounty on the Fisheries, report: WHEEBAS, I have received information

End, J. Woodward, P. Stewart. Febguary, II. On motion of Mr. Wyer, The House wen-into Commute of the whole, in furner con-sideration of a Bill to incorporate the Grand Manan Steam and Water Power Company. Mr. Hanington in the Chair of the Communication of the Communitation of the Chair of the Communitation of the Chair of the Communitation of the Chair of the Communitation of Chairen the and second Batalions of the Mina of the County of Carleton, for the Mina of the Communitation of Carleton, for the Mina of the County of Carleton and the County of Carleton the County of Carleton and the County of Ca

n was movedsites of the said Bill he postponed for three strength of each of those Battalions, to be inmonthe." And upon the question, it was car. readiness for actual service, should occasion ried in the affirmative. . rdered, That the require. Repart be accepted. Resolved That the Report of James

Brown Jarior, and George Hay wild, Esq. Commissioners spontiled for examining that here of Road, called the Royal Road, laid before the House by command of the Excel-lency on the 26 h u time, be also referred to the Committee appointed on the 18th of the same month, to take into consideration the subject relative to the amprovement of Noads

Gesner, , tho was appointed by His Excellency the Lieurenant Goterb ir to make & Ge .log cal survey of the Province, Isid beforthe House by command of this Excellency out

ral bounty was not obtained in the manner directed by the existing Parish School Law from the sircom-tance of the services having been performed in two Parishes, or in a Parish already baying the full number

a bounty on the Fisheries, report: That in pursuance of the duty as-signed to us, we have examined a mass of evidence, and the petitions on the subject on the Table of the House, and take leave to state that this branch of our resources, mani-festly so important, and now evi-in all its details before this House ast or render any recapitulation of them superfluous. Your Commit-tee finds the subject of the neces-sary 'protection of the Fisheries' will require much more consider-will require much more considersary 'protection of the Fisheries' will require much more consider-ation than they have yet been able to bestow upon it. But they have lost no time in preparing such a Bill for their 'enceuragement,' as the government of the Province will take asting any house investors for re-bin mediately adopted to secure the end proposed, and which is here-with respectfully submitted, under the title of "A Bill for granting a Bounty for the encouragement of Fisherics.' W. F. W. Owen, W. End, J. Woodward, P. Stewart. Febguary, 11.

Chairman reported, that the Committee hav the County of Carleton, to the affitte of ing the Bill again under their consideration, ceed as the Law directs, to the dratting of a
