The following is what
Mr. W. J. Weir, of Crumlin, Ont.,
says about Thorold Cement:

CRUMLIN, ONT., Mar. 6, 1899.

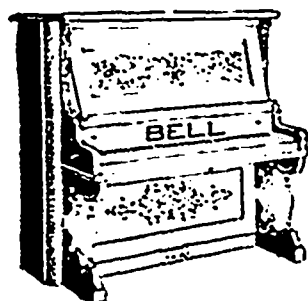

ESTATE JOHN BATTLE,
Manufacturers Thorold Cement,
Thorold, Ont.

DEAR SIR: It is with pleasure that I testify to the excellent qualities of your Thorold Cement for building purposes. Last summer I built a concrete wall under my barn (size 34x102 x 9 ft. high). It makes a splendid wall, and I consider that I have a first-class job. I also put in concrete floors for horses and cattle with your cement, they give good satisfaction, being perfectly dry and warm, and are easily kept clean. I can strongly recommend it to all farmers who intend using Cement.

WM. J. WEIR.
