**ADVICE TO MOTHERS.**—Mrs. Winslow's SOOTHING SYRUP should always be used when children are cutting teeth. It relieves the little sufferer at once; it produces natural, quiet sleep by relieving the child from pain, and the little cherub awakes as bright as a button. It is very pleasant to take. It soothes the child, softens the gums, allays all pain, relieves wind, regulates the bowels, and is the best known remedy for diarrhoea, whether arising from teething or other causes. Twenty-five cents a bottle.

**Prescott's History.**

**HISTORY of the REIGN of FERDINAND and ISABELLA, the Catholic.** By WILLIAM H. PRESCOTT, Corresponding Member of the French Institute, Member of the Royal Academy of History at Madrid, etc.  
**Illustrated Library Edition,** in two volumes, small octavo, including portrait and other illustrations. Long Primer type, fine heavy paper, fine cloth, gilt tops. Price per set, \$2.00, postage 28 cts.  
**Popular Edition,** from the same plates as the above, the two volumes bound in one, uniform in size and equivalent in quality to the Caxton editions of Irving, etc. Price, \$1.25, postage 15 cts.  
"At the price, considering the quality of the work, the books are marvelously cheap."—Morning Herald, Rochester, N. Y.  
"Previous editions of this work have exhausted its praises and the volumes are too well-known to need an extended review."—Pioneer Press, St. Paul, Minn.  
"His work is as entertaining as the tales of Sir Walter Scott. It is the marvelous cheapness of publication and quality of the mechanical work that attract notice."—The Midland, St. Louis, Mo.  
"Mr. Prescott's work is one of the most successful historical productions of our time. In a word, he has, in every respect, made a most valuable addition to our historical literature."—Edinburgh Review.  
"Prescott's works themselves need no commendation now. This is one of the most romantic of histories. This edition is compact, in large type, neatly bound, and cheap."—Presbyterian Journal, Philadelphia, Pa.  
"One of the very finest histories of modern times, written by an author of rare felicity of diction, fervor of imagination, accuracy of statement, and exquisite beauty of style. Every one who reads at all should read Prescott."—Presbyterian, Philadelphia, Pa.

"We cannot dismiss the book without observing that it is one of the most pleasing as well as most valuable contributions that have been made to modern history; that it is the only one that gives us a faithful and sufficient picture of a period so momentous as the latter half of the fifteenth century."—London Athenaeum.  
"The history needs no words of praise; it has long been considered a standard history of the times of which the author writes. How Mr. Alden can print and bind such books at such a price is a wonder. If this does not induce hundreds to read it now who never read it before, it will be a wonder."—Southern Churchman, Richmond, Va.  
"This standard work of the celebrated historian is too well-known to need any word of commendation here. Mr. Alden has rendered an important service to the reading public in bringing it out in its present form. The edition is really an excellent one. It has numerous illustrations, and all the author's valuable notes. It is fit to appear in any library. And yet these two handsome volumes are sold at the exceedingly low price of \$2. Surely the publisher cannot fail to find an extensive sale for this valuable work at such a low price."—Methodist Recorder, Pittsburgh, Pa.
