**Scientific and Useful.**

**TOMATO SOUP.**—To one quart of boiling water add one quart of tomatoes; boil again and put in one teaspoonful of soda; as soon as it has ceased foaming, add one pint of milk, four rolled crackers, butter, pepper and salt, and serve very hot.

**A NUTRITIOUS BROTH.**—A quarter of a teaspoonful of beef extract, the yolk of an egg beaten up, a cup of boiling water, a little salt added, and served with a slice of hot toast, makes a palatable and nutritious luncheon, and an excellent repast for invalids.

**WHETHER OR NOT** you believe that consumption is an infectious disease, transmitted by tubercular parasites, the fact that Dr. Pierce's "Golden Medical Discovery" is capable of restoring a healthy condition of the lungs, however affected, is one which does not admit of question. At the very first intimation of consumptive tendencies, whether in the form of a persistent cough, general debility, loss of appetite, night sweats or frequent and depressing chills, you should secure a bottle of the "Golden Medical Discovery." It will purify the blood, tone up the system, and remove consumptive symptoms by removing their cause.

**SOFT GINGERBREAD.**—Excellent soft gingerbread is made of one cup of sugar, one cup of butter, one cup of sour cream, one cup of molasses, four cups of sifted flour, half a teaspoonful of soda dissolved in a little hot water, one tablespoonful of ginger, three well-beaten eggs, the rind grated of one lemon. Raisins may be added.

**MUFFINS.**—One pint of mashed potato, one pint of flour, two tablespoonfuls of butter, a little salt, milk sufficient to make a thick batter, and half a teacupful of fresh yeast. Mix the ingredients and let the batter rise until it is light; bake in muffin tins or gem pans, and serve in a broad pan. This is an excellent breakfast dish.

**A WISE PRECAUTION.**—During the summer and fall people are liable to sudden attacks of bowel complaints, and with no prompt remedy or medical aid at hand, life may be in danger. Those whose experience has given them wisdom always keep Dr. Fowler's Extract of Wild Strawberry at hand for prompt relief, and a physician is seldom required.

**LIGHT CAKES FROM STALE BREAD.**—Light cakes are made in this wise: Pour hot milk over the broken pieces; when cold mash finely with a spoon or pass through a colander. Add enough sweet milk to make a thin batter, then one teaspoonful of salt, one full spoonful of sugar, two or three eggs beaten separately, two teaspoonfuls of good baking powder in the flour, which should be added till the batter is of sufficient consistency for frying on a griddle. Those cakes will be found delicious, and may be varied by using yellow corn meal instead of flour.

**VEAL SALAD.**—Mix one-half teaspoonful of mustard with half a cupful of vinegar. Beat the yolks of two or three eggs with a little salt, until they are quite thick and light; then, stirring briskly all the time, slowly add two or three tablespoonfuls of best salad oil, and four tablespoonfuls of rich, thick, sweet cream. Then add mustard, vinegar, salt and pepper to taste, and some very finely chopped parsley and tarragon. Pour this sauce over a heaping plateful of cold roasted veal, cut into pieces about an inch long and a quarter-inch thick, cover tightly and let it stand in a cold place for an hour or two. Serve on a platter, and garnish with sprigs of crisp parsley and slices of a hard boiled egg.

Mothers will find the PAIN-KILLER invaluable in the nursery, and it should always be kept near at hand in case of accident. For pain in the breasts, take a little Pain-Killer in sweetened milk and water, bathing the breasts in it clear at the same time. If the milk passages are clogged, from cold, or other causes, bathing in the Pain-Killer will give immediate relief.

**DURABLE WHITEWASH.**—Put a half bushel quicklime in a barrel and add boiling water until it is covered nearly six inches deep; cover the barrel to keep the steam in, and when the violent ebullition is over add water enough to bring it to the consistency of cream, allowing four pounds of rice flour to each half bushel of lime, or the rice flour may be mixed with the water for slaking, mixing the flour carefully in cold water before putting it in the hot water. Stir constantly in the hot water until thoroughly set, then pour it all over the lime, as directed.

**Horsford's Acid Phosphate.**  
In Debility from Overwork.  
 Dr. G. W. COLLINS, Tipton, Ind., says: "I used it in nervous debility brought on by overwork in warm weather, with good results."

**"MYSTERIOUS PEOPLE."**

Celestial Children of the pig-tailed race! Scorned by us Easterns, who are yet obliged to face and bow before thy ingression! What do we owe thee? Nothing more or less than thy anti-Christian idea that gave to Caxton his Printing Press, who multiplied the Bible, that superstition killed and gave freedom to ourselves—and now to-day on Yonge Street loads with Books our groaning shelves. We owe this debt as well thy Hindoo brother for those fragrant, pungent leaves, that give light, health and pleasure to all who use the Li-Quor Teas. All grades from 50c. to 80c. a pound. A handsome volume, your own choice, from our catalogue, with every 3 pounds. GEO. MANN & Co., Sole Wholesale Agents, 295 Yonge St., Toronto.
