

close of the present year we shall be left without sufficient funds to pay the current expenses of the present establishment, when the condition of the Church makes it more than ever necessary to enlarge its sphere of usefulness.

Resolved, That as the efficient work of the Church depends much upon the sound education and pious training of the youth, it is the duty of the Clergy and the Ministry, it is the advantage no less than the duty of the Church to support the Association of Clergy and Ministers for the purpose of rendering the Collegiate establishment at Windsor more efficient.

Resolved, That it is the conviction of this Meeting that the future prosperity of the Church in this Province must depend much upon the action of the Church Society, and that the necessity of a permanent movement cannot be too earnestly recommended to all our people.

Resolved, That the Rev. W. Cogswell, and his resignation of office, led to a fifth Resolution, which had been approved of unanimously in the Committee, but reserved for the General Meeting at the suggestion of the Bishop.

Resolved, That this Meeting having learned with much regret the resignation of one of its valuable servants, take this occasion to express their sympathy in his affliction; they thank for the efficient aid he has long gratuitously given to the Society, and his hope that he may yet, by the will of God, be restored to his former health and ministerial usefulness.

Resolved, That the Rev. H. W. Owen and J. G. A. Creighton, Esq. be a committee to wait upon the Rev. W. Cogswell, with the foregoing Resolution, unanimously passed by this Society.

The Lordship the Bishop in putting the Resolution, expressed his satisfaction that the services of Mr. Cogswell were well appreciated, and he again congratulated the meeting upon the mutual affection of the clergy, and their perfect agreement upon the value and beneficial agency of the Society, a collection was made, and he dismissed the assembly with the customary Benediction.

Resolved, That the Rev. W. Cogswell, and his resignation of office, led to a fifth Resolution, which had been approved of unanimously in the Committee, but reserved for the General Meeting at the suggestion of the Bishop.
